Notice of Application and Proposed Determination of Non-Significance (DNS)
Ravensdale Park Existing Field Renovations

File No. L11CG032

Project Proponent and SEPA Lead Agency: King County Department of Natural Resources and Parks

Date of Application: January 2011

Date of Notice of Application and Proposed Determination of Non-Significance (DNS): May 3, 2011

Project Description: The Ravensdale Park Field Renovations project includes renovation of two existing athletic fields: one compacted earth soccer field to be converted to a synthetic turf field; and one grass baseball field to be modified to install a synthetic turf infield. Additional improvements to the existing park are proposed to include fencing to be installed around existing fields, additional native plantings around the perimeter of the park, and a new community meadow with native plantings on the east side of 272nd Ave SE.

Location: 27305 272nd Ave SE, Ravensdale, WA and 27132 SE Ravensdale Way, Ravensdale, WA Parcel Nos. 252206-9012; 362206-9019; and 362206-9001.

King County Department of Parks & Recreation Preliminary Determination with Regard to the Application: SEPA Threshold Determination of Non-Significance.

The SEPA Lead Agency for this project (King County Department of Natural Resources and Parks) has determined that this proposal will not have a probable significant adverse impact on the environment. An Environmental Impact Statement is not required under RCW 43.21C.030(2)(c). In making this Threshold Determination, the responsible official has reviewed the completed environmental checklist and other environmental information on file with the Department. This information is available for review upon request (and for copying for a nominal photocopying charge) at the Department of Natural Resources and Parks, King Street Center, 201 South Jackson Street, Suite 700, Seattle, WA 98104-3856. The permit application, site plan, environmental checklist, proposed DNS and other information are also available on the King County Parks website: www.kingcounty.gov/parks.

The Determination of Non-Significance (DNS) is issued under WAC 197-11-340. The lead agency will not act on this proposal for 21 days (pursuant to King County Code 20.44.120[A][5]), until after the public comment period expires at 4:30 PM on May 27, 2011, after which the King County Department of Natural Resources and Parks will 1) formally adopt this Determination of Non-Significance; 2) clarify or review the proposal; or 3) complete additional environmental analyses, as appropriate. Please refer any questions relating to the proposed action and/or the SEPA Threshold Determination to the Department Contact Person indicated below.

Department Contact Person: T.J. Davis, 206.263.6214, TJ.Davis@kingcounty.gov

Public Comment Period: May 6 through May 27, 2011 (4:30 PM)

Procedure for Filing Comments: Please address comments to the Department Contact Person indicated above, either via e-mail or by postal mail to: King County Department of Natural Resources and Parks, King Street Center, 201 South Jackson Street, Suite 700, Seattle, WA 98104-3856.

List of Permits Included in the Application: King County Clearing and Grading Permit

Other Permits Required: NPDES Construction Stormwater Permit

Environmental Documents Available for Review: SEPA Checklist, Geotechnical and Environmental Report, Drainage Technical Information Report, Greenhouse Gas Emissions Analysis.

Appeal Procedure: For Type 1 permits (such as Clearing and Grading Permits) for which a Determination of Non-Significance is issued, there is no administrative SEPA appeal. Such appeals must be filed in Superior Court, State of Washington, within 21 days following the date of the Notice of the Final SEPA Determination. The calendar dates of the appeal period and required procedures will be

included in the Department's mailing of the Final SEPA Threshold Determination after the conclusion of the public comment period presently offered on the Notice of Application and proposed SEPA Threshold Determination of Non-Significance.
