
Geologic Units

Nonglacial Deposits (Holocene)

- water
- m - Modified land
- Qmw - Mass wastage deposits
- Qls - Landslide deposits
- Qw - Wetland deposits
- Qal - Alluvium
- Qf - Fan deposits
- Qoal - Older alluvium (Holocene and Pleistocene)

Younger Glacial Deposits (Fraser Glaciation, Pleistocene)

- Qvr - Vashon recessional outwash deposits
- Qvi - Vashon ice-contact deposits
- Qvt - Vashon subglacial till
- Qva - Vashon advance outwash

Older Glacial and Nonglacial Deposits (Pleistocene)

- Qpf - Pre-Fraser undifferentiated deposits
- Qpff - Pre-Fraser fine-grained deposits
- Qpog - Pre-Olympia glacial deposits
- redbear_area_hollow

Geologic Map of the Redmond Bear Creek Area
