Lake Weed Watcher Survey Form

***Lake Name:**		***Surveyed By:**	
***Survey Date:**		**Additional Volunteers:**	
***Volunteer Hours:**			
Survey Notes:			

*** Required fields**

HIGH PRIORITY WEEDS: IF ANY OF THE FOLLOWING SPECIES ARE FOUND ON THE LAKE, ENTER INFORMATION IN THE TABLE BELOW (use back if more space needed)

(Note: Other weeds and native plants can be listed on the back of the form; no location info is needed, just the plant name.)

Weed Name	Weed Code	Name	Weed Code
Brazilian Elodea (*Egeria densa*)	EGEDEN	Parrotfeather (*Myriophyllum aquaticum*)	MYRAQU
Common Reed (*Phragmites australis*)	PHRAUS	Purple Loosestrife (*Lythrum salicaria*)	LYTSAL
Fanwort (*Cabomba caroliniana*)	CABCAR	Reed Sweetgrass (*Glyceria maxima*)	GLYMAX
Floating Primrose-willow (*Ludwigia peploides*)	LUDPEP	Variable-leaf Milfoil (*Myriophyllum heterophyllum*)	MYRHET
Flowering-rush (*Butomus umbellatus*)	BUTUMB	Water Hyacinth (*Eichhornia crassipes*)	EICCRA
Garden Loosestrife (*Lysimachia vulgaris*)	LYSVUL	Water Primrose (*Ludwigia hexapetala*)	LUDHEX
Hairy Willowherb (*Epilobium hirsutum*)	EPIHIR	Yellow Floating-heart (*Nymphoides peltata*)	NYMPEL
Hydrilla (*Hydrilla verticillata*)	HYDVER	Unknown species (describe in survey notes)	UNKNOWN
Narrow-leaved Cattail (*Typha angustifolia)*	TYPANG		

*Weed Code	*Lake Section	*Latitude	*Longitude	*Infested Area	Weed Density	Growth Stage	Marker Buoy?	*Location Description	Ownership Description	Photo?	Sample?
see list above	section number from the lake map	dec. deg. (e.g. 47.579827)	dec. deg. (e.g. -121.502207)	square feet	sparse, scattered, clumpy, linear, monoculture	vegetative, pre-flower, bud, flowering, seed set, dying back	did you leave a marker buoy (yes/no)	distance from shore, landmarks, compass directions, and any other information that would help someone location the population	whether public or private property and, if known, name and contact info of owner or owner of adjacent property	did you take a photo of the plant (yes/no)	did you collect a plant sample (yes/no)

OPTIONAL: List any Low Priority WEEDS and NATIVE PLANTS identified in lake survey
