This returned formal Roll Calls and gave sergeants the opportunity to work with their deputies on crime trends, protocol, procedure, and values.</p> <p>Secondly, deputies will be assigned to fairly consistent patrol areas. This will allow them to become familiar with the citizens, businesses, and residential areas in their assigned patrol districts. They will be expected to build relationships and learn the particular problems in an area or neighborhood, as well as focus on crime trends.</p> <p>Precincts will be referred to as Precincts #2, #3, &amp; #4 or Northeast, Southeast, and Southwest, respectively.
