

## Rules for Use of the Marymoor Park Off-Leash Dog Area

**Professional Dog Walkers:** You must be obtain a permit from the Marymoor Park Office to operate in the Off-Leash Dog Area. Applications are available from the Marymoor Park Office at [marymoorpark@kingcounty.gov](mailto:marymoorpark@kingcounty.gov) or by calling 206-205-3661.

**Dog Walkers:** Upon entering the Marymoor Park Off-Leash Dog Area, expect to come upon dogs running free, under voice control of their owners. If you are uncomfortable in the presence of unleashed dogs, you may wish to walk your dog on-leash in other areas of the park.

The Marymoor Park Off-Leash Dog Area is one of the premier off-leash areas in Western Washington. In order for all two-legged and four-legged visitors to enjoy the off-leash area, please respect the rules:

- Respect other park visitors by keeping your dog from jumping on, or interfering with, other people and their dogs. Off-leash does not mean out of control.
- You are required by law to pick up your dog's feces and to properly dispose of it in the trash cans located throughout the area.
- Remember to put your dog on a leash in all other areas of Marymoor Park. By law, dogs must be on-leash in all King County Parks, except for designated off-leash dog areas. This includes the parking lots that serve the off leash area.
