## Things you should know:

### LATE PAYMENT PENALTY

Full payment is due upon confirmation of scheduling. Do not wait to pay. All fee adjustments will be billed or credited at the end of your season. **1.5% late fee per month will be charged on all balances 30 days past due (\$25.00 minimum late fee per month).** See page 8.

### JAMBOREE AND TRYOUTS

Jamboree and tryout dates must be clearly outlined in your game schedule. These are not considered simply practices and maintenance staff needs to be alerted.

**LIGHT FAILURE:** When you have a problem with scheduled field lights, call the number below:

For Marymoor Park - 206-225-8936 (cell phone)

For All King County Fields except Marymoor - 206-214-7548 (cell phone)

Lights come on 10 minutes before your scheduled use.

[Please do not call us before that time.](#)

### RAINOUTS

When maintenance has rained out a field, **stay off the field**. Do not assume it is ok to practice because the field has dried out. The field may not be in safe condition.

### SUPPLEMENTAL MAINTENANCE

Sign up for a Supplemental Maintenance Agreement. Once trained your group will be allowed to rake, line, and move bases. Training cards will be issued to those that attend a mandatory training session. All others are **not** allowed to do any manual labor on County fields.

### INFIELD SOIL

Do not add any foreign materials to the infield mix such as bark, sand, dirt, kitty litter, diamond dry, etc. This causes major maintenance problems that cost the County thousands of dollars each year.

### DESIGNATED PARKING AREAS

Only County vehicles are allowed on Parks property other than in designated parking areas. Do not remove bollards and drive onto park property to unload or park. You will need to carry all items from the parking area to the fields. Bring a wagon or cart for heavy items. Do not block roadways. Your vehicle may be cited by police or towed.

### **We Are Serious About Enforcing the Law.**

King County Police Officers routinely patrol County parks under a permit with the Parks Division. Park's maintenance and recreation staff will report violators to police as well. Violations may result in citations and/or revocation of field use privileges.

### **ALCOHOLIC BEVERAGES**

*NO ALCOHOLIC BEVERAGES ARE ALLOWED IN KING COUNTY PARK FACILITIES WITHOUT A PERMIT.* County law prohibits the opening or consumption of alcoholic beverages in any area under the ownership, management, or control of the King County Parks Division without written permission. Consumption of alcoholic beverages is prohibited except in areas designated by the Manager or the Manager's designee. Violation of this law is a misdemeanor. Any person convicted of violating the law shall be fined up to \$500.00 or imprisoned in the County jail up to 90 days or both. In addition, any person who fails to comply with the law may be ejected from the park facility and barred from the use of any park facility in the future.

### **ANTI-DISCRIMINATION POLICY**

In all use, hiring or employment made possible or resulting from this permit, the Permittee agrees that:

A: There shall be no discrimination against any employee or applicant for employment because of sex, age, creed, national origin, marital status, sexual preference or the presence of any sensory, mental or physical handicap, unless based upon a bona fide occupational qualification, and this requirement shall apply to but not be limited to the following: employment, advertising, lay-off or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

B: No person shall be denied, or subjected to discrimination to, receipt of the benefit of any services or activities made possible by or resulting from this permit on the ground of sex, race, color, creed, national origin, age, except minimum age and retirement provisions, marital status, sexual preference or the presence of any sensory, mental or physical handicap.

C: Any violation of this provision shall be considered a violation of a material provision of this permit and shall be grounds for cancellation, termination, or suspension in whole or in part, of the permit by the county and may result in ineligibility for further county permits.

D: The Permittee shall comply with all applicable anti-discrimination and affirmative action ordinances, laws and statutes, including but not limited to King County Ordinance 5983, 4258, and R.C.W. Chapter 49.60.

## Field Use Rules and Guidelines

*We welcome your use of the County's park facilities and appreciate your cooperation in making our parks a safe, positive environment for all users.*

### **FIELD CLOSURE INFORMATION – RAINOUTS**

Field closures may result from inclement weather, poor playing conditions or field damage which may cause hazardous safety considerations for the public or excessive repair work to bring the field back to a playable condition. It is the organization's responsibility to obtain field closure and rainout information by calling the rainout message line which will be updated:

**Weekdays by 3:00 P.M.**

**Weekends by 7:00 A.M.**

*If weekend weather conditions change, updates may also be made at Noon and 3:00 pm.*

See the list of Field Rainout Phone Numbers on page 19

**IMPORTANT:** If the field has been rained out by Park's staff, **STAY OFF THE FIELD!** You are not allowed to try to prep the field to get it into playing condition even if the field has dried out since the rainout was posted. Any foreign materials such as bark, sand, dirt, kitty litter, diamond dry, etc are strictly prohibited.

### **LITTER CONTROL**

*Leagues will be held responsible for excessive litter left after games and practices.* We recommend that the home team be made responsible for cleaning up the area before they leave. Maintenance will monitor and report abuses of this policy and a clean-up fee will be imposed when excessive maintenance time is needed to clean the area.

**Clean-up fee: \$50.00 per hour**

Repeat offenses may result in revocation of field use privileges.

### **FIELD LIGHTING PROBLEMS:**

Please see page 9 for information on reporting problems with scheduled field lighting at the following fields:

Marymoor Park    Evergreen High School    Kentlake High School  
Petrovitsky Park    Ravensdale Park    White Center Park    Preston Park

These fields have remote controlled light timers which, under normal circumstances, may be adjusted after hours.

Note: we do not send maintenance staff out to fix lighting problems after hours.

## The CPG Program has 3 goals:

- Address unmet regional/rural public parks, sports, and recreation facility needs by creating new or enhanced facilities without adding new tax funded operations and maintenance costs.
- Empower user groups, sports associations, and other community-based organizations to leverage their commitment, passion, and resources into new long-term, high quality, self-sustaining County parks, sports, and recreation facilities.
- Develop a region-wide network of partners consisting of user groups, sports organizations, and citizens, in general, whose success is interconnected with the political, financial, and operational success of the County parks, sports, and recreation system.

## Key CPG Proposal Requirements:

- Proposed new or enhanced facility must address an identified regional or rural sports, park, or recreation need per Active Sports and Youth Recreation Commission recommendations and/or mapping and inventory data; partner's mission and community outreach must compliment and support the Division's mission; partner must demonstrate that they have the financial, administrative, programmatic, logistical, and technical wherewithal to complete the project; matching funds and/or other resources are required for capital grant funds; project proposals must address environmental requirements, neighborhood impacts, design restrictions, and all other technical, legal, and permitting issues that may apply.

For more information about the CPG Program contact: T.J. Davis at (206)734-7248 or [tj.davis@kingcounty.gov](mailto:tj.davis@kingcounty.gov)

## Supplemental Maintenance Agreements

Supplemental Maintenance Agreements (SMA's) are seasonal/short-term agreements with a volunteer group that authorize the volunteer group to perform limited maintenance tasks on athletic ball fields above the level/or in addition to the level of maintenance that King County Park's maintenance staff provides. All volunteers must attend a training session and will be issued a card authorizing the volunteer to perform only those duties specified in the agreement.

If your organization is interested in performing specific maintenance tasks specified in the agreement for the 2009 season, please contact the scheduling office for the appropriate staff member and telephone number for your region.

**No one has authorization to do any maintenance related work on King County athletic fields without prior permission and training.**

If you have questions about SMA's or wish to view a sample copy of a Supplemental Maintenance Agreement, please contact the scheduling office.

## Community Partnerships and Grants (CPG) Program

- CPG is a public/private partnership program for sports associations, community partners, and other non-profit organizations to develop, program, and operate new and/or enhanced public recreation facilities on County-owned land in a manner that does not create new tax funded King County operation and maintenance costs. Applicants must either utilize their volunteer resources or provide additional funding to contract with King County staff.
- Capital grants available up to \$100,000 for approved partnerships for capital improvements only.
- Recommended in 2002 by the Active Sports and Youth Recreation Commission and the Metropolitan Parks Task Force. Adopted by Council in April 2003 as a tool for creation of new or enhanced sports and recreation facilities to meet identified recreation facility needs.

**Your field packet must be completed, signed, dated and returned by:**

**January 16, 2009**

**If your packet is not submitted by this deadline, your dates may be returned to the general availability pool.** If there is a reason you cannot meet this deadline, please contact the scheduling office.

**Please be considerate!** If you do not intend to use King County fields in 2009, please call and release the dates right away so others may use them.

All Jamboree and tryout dates must be clearly outlined in your schedule.

5. Full payment is due before your first scheduled use. You don't have official permission to use King County athletic fields until full payment has been received along with the proper paperwork. An invoice will be issued with a copy of your approved permit after your signed tentative permit and insurance documents have been received. If changes are made to the schedule throughout the season, you will receive a final invoice or refund within 30 days of your last field use.
