the  
date!

**October 19, 2010**

**6:30 – 8:30 p.m.**

Presentation begins at 7:00 p.m.

**Loyal Heights Community Center**

**2101 NW 77th St, Seattle**

King County has identified a proposal to control Combined Sewer Overflows (CSOs) in the North Beach basin – an underground storage pipeline in N.W. Blue Ridge Drive and Triton Drive N.W. Learn more about this proposal on the project website at **[www.kingcounty.gov/CSOBeachProjects](http://www.kingcounty.gov/CSOBeachProjects)** and join us at a community meeting to learn about:

- *How community input informed the decision process*
- *Updated project information*
- *Upcoming opportunities for public participation*
- *How to keep up to date on the North Beach CSO Control Project*
- *How King County will work with the community during project design and construction*

For special accommodations, contact Monica Van der Vieren at 206-263-7301 or [monica.vandervieren@kingcounty.gov](mailto:monica.vandervieren@kingcounty.gov).
