

Sewer Work in your Neighborhood Week of March 24, 2008

Next week, King County's contractor will perform the first phase of work to connect the new Hidden Lake Pump Station to the Boeing Creek Trunk Sewer. To complete this work, several crews and equipment will be present in the following locations:

- Hidden Lake Pump Station – 10th Avenue Northwest and Innis Arden Way.
- Near the intersection of Northwest 167th Street and 15th Avenue Northwest.
- Along 15th Avenue Northwest, north of Northwest 167th Street

Equipment will be delivered on Monday, March 24. This work is planned on Wednesday, March 26, but the schedule may change depending on the weather. Flaggers will be present on NW 167th Street during the operation; drivers should proceed slowly and watch for flaggers in the area.

Please call the 24-hour construction hotline at **206-205-5968** if you have questions or concerns. A staff member will be paged and will respond promptly.
