

**January 2009 Flood Response
Proposed New Acquisitions for 2009 Capital Program**

River	Damage Description	Proposed Repair / Recommendation	Identified on 6-Year CIP	Total Cost	Potential FCD need during 2009
Lower Snoqualmie	Substantial damage (greater than 50% of value of structure) to 3 homes when Snoqualmie River overtopped SR 202 near Fall City.	Acquire and demolish 3 homes on 2 acres. Include in HMGP grant application, requires 25% local match from FCD	Yes (FL2014)	\$ 580,000	\$ 145,000
Tolt River	Substantial damage (greater than 50% of value of structure) to 1 home when levee breached along Tolt River near Carnation.	Acquire and demolish homes. Include in HMGP grant application, requires 25% local match from FCD. Landowner willing.	Yes (FL3009)	\$ 680,000	\$ 170,000
Upper Snoqualmie	Substantial damage (greater than 50% of value of structure) to 18-unit Mobile Home Park in city of Snoqualmie.	Acquire property, relocate residents as required under federal law, and demolish structures. Landowner willing.	Yes (FL1023)	\$ 1,500,000	\$ 375,000
Cedar River	Damage to several homes in reach at site of active acquisition and levee setback project.	Fully fund existing capital project to complete Elliott Bridge acquisitions. Appraised values exceed planning level cost estimates for acquisitions, additional funding is needed.	Yes	\$ 600,000	\$ 600,000
White River	Flooding to approximately 100 homes in Pacific.	Acquire undeveloped property as first stage of right bank floodplain reconnection. Landowner willing.	No. New Project Proposal.	\$ 1,800,000	\$ 1,800,000
Tolt River	Levee breach along Tolt River; damage to 5 homes at site of proposed levee setback.	One home substantially damaged and proposed for buyout in HMGP grant. Remaining four damaged homes should be acquired and demolished. Landowners are willing.	Yes (FL3009)	\$ 1,700,000	\$ 1,700,000
Total			Total	\$ 6,860,000	\$ 4,790,000
