

KING COUNTY FLOOD CONTROL DISTRICT

DETERMINATION OF NON-SIGNIFICANCE

Name of Proposal: King County Flood Control District Hazard Mitigation Plan

Description of Proposal: The King County Flood Control District Hazard Mitigation Plan is a non-project action planning document prepared in accordance with the federal Disaster Mitigation Act (Public Law 106-390). This plan identifies the hazards present within the King County Flood Control District, assesses the vulnerability of public and private property to flood hazards and dam failure district-wide and the vulnerability of Flood Control District facilities and infrastructure to earthquake, landslide, severe weather, volcano (lahar) and wildfire, and establishes a mitigation strategy to reduce the risk from these hazards.

Location of Proposal: King County Flood Control District Boundaries
(corresponding with the boundaries of King County, WA)

Responsible Official: Mark Isaacson

Position/Title: Division Director, Water and Land Resources Division

Address: 201 South Jackson Street, Suite 600
Seattle, WA 98104-3855

Phone: (206) 296-6587

Proponent and Lead Agency: King County Flood Control District (Proponent)
King County Department of Natural Resources and Parks,
Water and Land Resources Division
(Lead Agency/Service Provider for the King County Flood Control District)

Contact Person: Priscilla Kaufmann, CFM, Project Manager

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An Environmental Impact Statement (EIS) is not required under Revised Code of Washington (RCW) 43.21C.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency.

THIS INFORMATION IS AVAILABLE TO THE PUBLIC ON REQUEST (for a nominal photocopying fee).

THIS DETERMINATION OF NON-SIGNIFICANCE (DNS) is issued under Washington Administrative Code (WAC) 197-11-340(2); the lead agency will not act on this proposal for 14 days from the date below. Comments must be submitted or postmarked by **June 1, 2010**. Since the DNS is for an action not classified as a Land Use Permit decision, there is no King County Administrative appeal, according to King County Ordinance 12196, Section 51A4.
