

National Wildfire Preparedness Day
Saturday May 3, 2014
Wildfire can strike anywhere. Help protect your home.

Wildfire season is approaching. Is your home and property as safe as it could be? Are there simple things you can do to make it safer?

Saturday May 3 is National Wildfire Preparedness Day. To celebrate this day, the Carnation-

Duvall Citizen Corps is holding a Wildfire Preparedness Seminar.

Stop by and learn what you can do to make your home safer. You will learn about defensible space, how fires spread, what sort of landscaping and plants make your home safer and how your neighborhood can become a nationally recognized Firewise community.

When: May 3, 2014

Where: Duvall Library, 15508 Main Street NE, Duvall

Time: 10am – Noon

Who should attend: Anyone who wants to learn how to protect your home and family from wildfires.
