## **Notice of Action**

### **Upper Carlson Floodplain Restoration Project**

Notice is hereby given under SEPA, RCW 43.21C.080, that the Water and Land Resources Division (WLRD), King County Department of Natural Resources and Parks, Capital Projects Section, took the action described in item 2 below on November 7, 2013.

1. Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of non-compliance with the provisions of Chapter 43.21C RCW shall be commenced on or before December 13, 2013.
2. The agency decision is to proceed on final design and construction of the Upper Carlson Floodplain Restoration Project.
3. The proposed project is located south of Neal Road SE in Fall City, Washington at approximately the 2500 block of Neal Road in unincorporated King County. The project location is otherwise described as the northwestern quarter of Section 9 and 10, Township 24 North, Range 7 East (Willamette Meridian). The project will take place on seven parcels on the east and west sides of the Snoqualmie River. They include four parcels on the Fall City Natural Area, one property on the Carlson property, one parcel on Washington State Department of Natural Resources property and one parcel on the Richmond property. The Carlson levee/revetment is located on the right (east) bank at River Mile 31 and extends approximately 1,600 feet.
4. A Determination of Non-Significance was published and opened for review and public comment from September 25, 2013 through October 9, 2013. Project support documentation and project site maps are available for review at WLRD Offices from 8:30 a.m. to 4:30 p.m. weekdays. The offices are located at King Street Center, 201 South Jackson Street, Suite 600, Seattle, Washington 98104. Dan Eastman is the Project Manager and may be contacted at 206-477-4684.
5. A Decision to Proceed was signed on November 7, 2013 by Mark Isaacson, WLRD Division Director. This Notice of Action was filed on November 13, 2013 and will continue in effect through December 13, 2013.
