

The Native Plant Salvage Program needs your help!

Join other volunteers digging up trees, shrubs and groundcover from this site scheduled for development. In the afternoon, we'll pot up the salvaged plants so they can recover before going to King County habitat restoration sites. Once replanted, these native plants will help reduce erosion, shade streams and provide habitat. Special thanks to PacTrust for providing the salvage site.

When:

Saturday, February 4, 2012

9 a.m.-12 p.m.: Salvage for King County. Those working the full three hours can remain until 2 p.m. to salvage for themselves.

1-4:30 p.m.: Potting at Holding Facility. Free plants given to potters!

Where:

Redmond Ridge near Redmond.

Directions:

To Salvage Site: From I-405, I-5 or Hwy 520: Drive Eastbound 520 through Redmond and continue north onto Avondale Road. Turn right (east) onto Novelty Hill Road. Turn right (south) on to Redmond Ridge Dr. NE. Turn left on NE Marketplace Dr. and follow signs to site.

To the Native Plant Holding Facility:

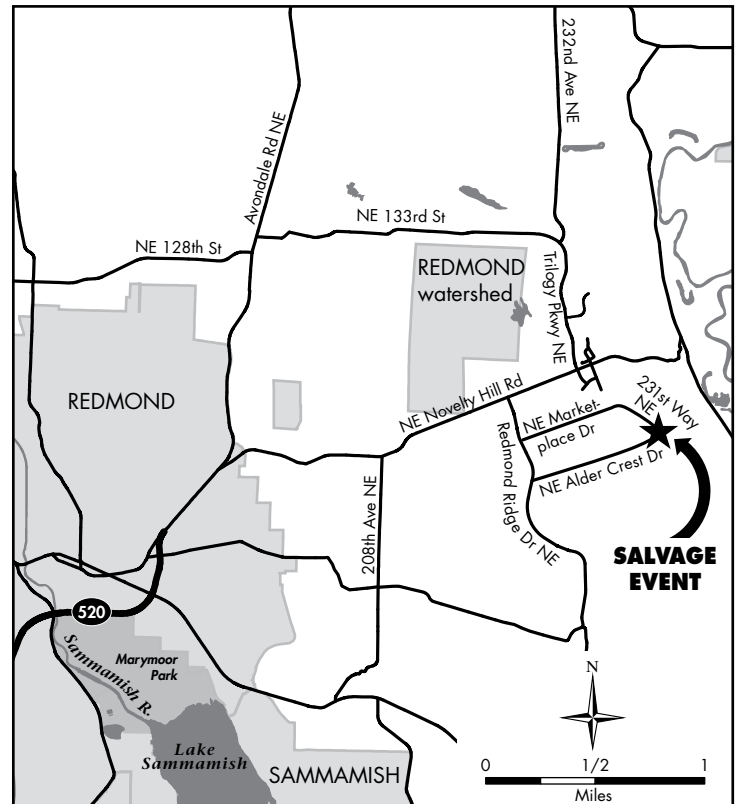

From I-5 or I-405, take I-90 east to Highland Drive exit (exit 18) in Issaquah. Stay left on the off ramp to continue onto Highland Dr. Drive through several lights. Turn right onto Issaquah-Fall City Road. Just past Endeavor Elementary School, stay straight onto Duthie Hill Road. The holding facility is in Duthie Hill Park (on the right) at 27101 Duthie Hill Road.

Notes:

A parent or guardian must accompany volunteers under 16 years old.

Dress for the weather and be prepared to get dirty. Sturdy shoes or boots are recommended. We'll provide gloves, tools and light refreshments.

Not a morning person? Volunteers also needed at our Native Plant Holding Facility from 1:00 until 4:30 pm to help pot up the salvaged plants.

FREE plants are available to volunteers who salvage plants for King County and for those who help pot them!

Please call Cindy Young at 206-296-8065 or email cindy.young@kingcounty.gov if you plan to participate.
