

**Map 2
Fish Distribution Map***

Steelhead Distribution

Coho Distribution

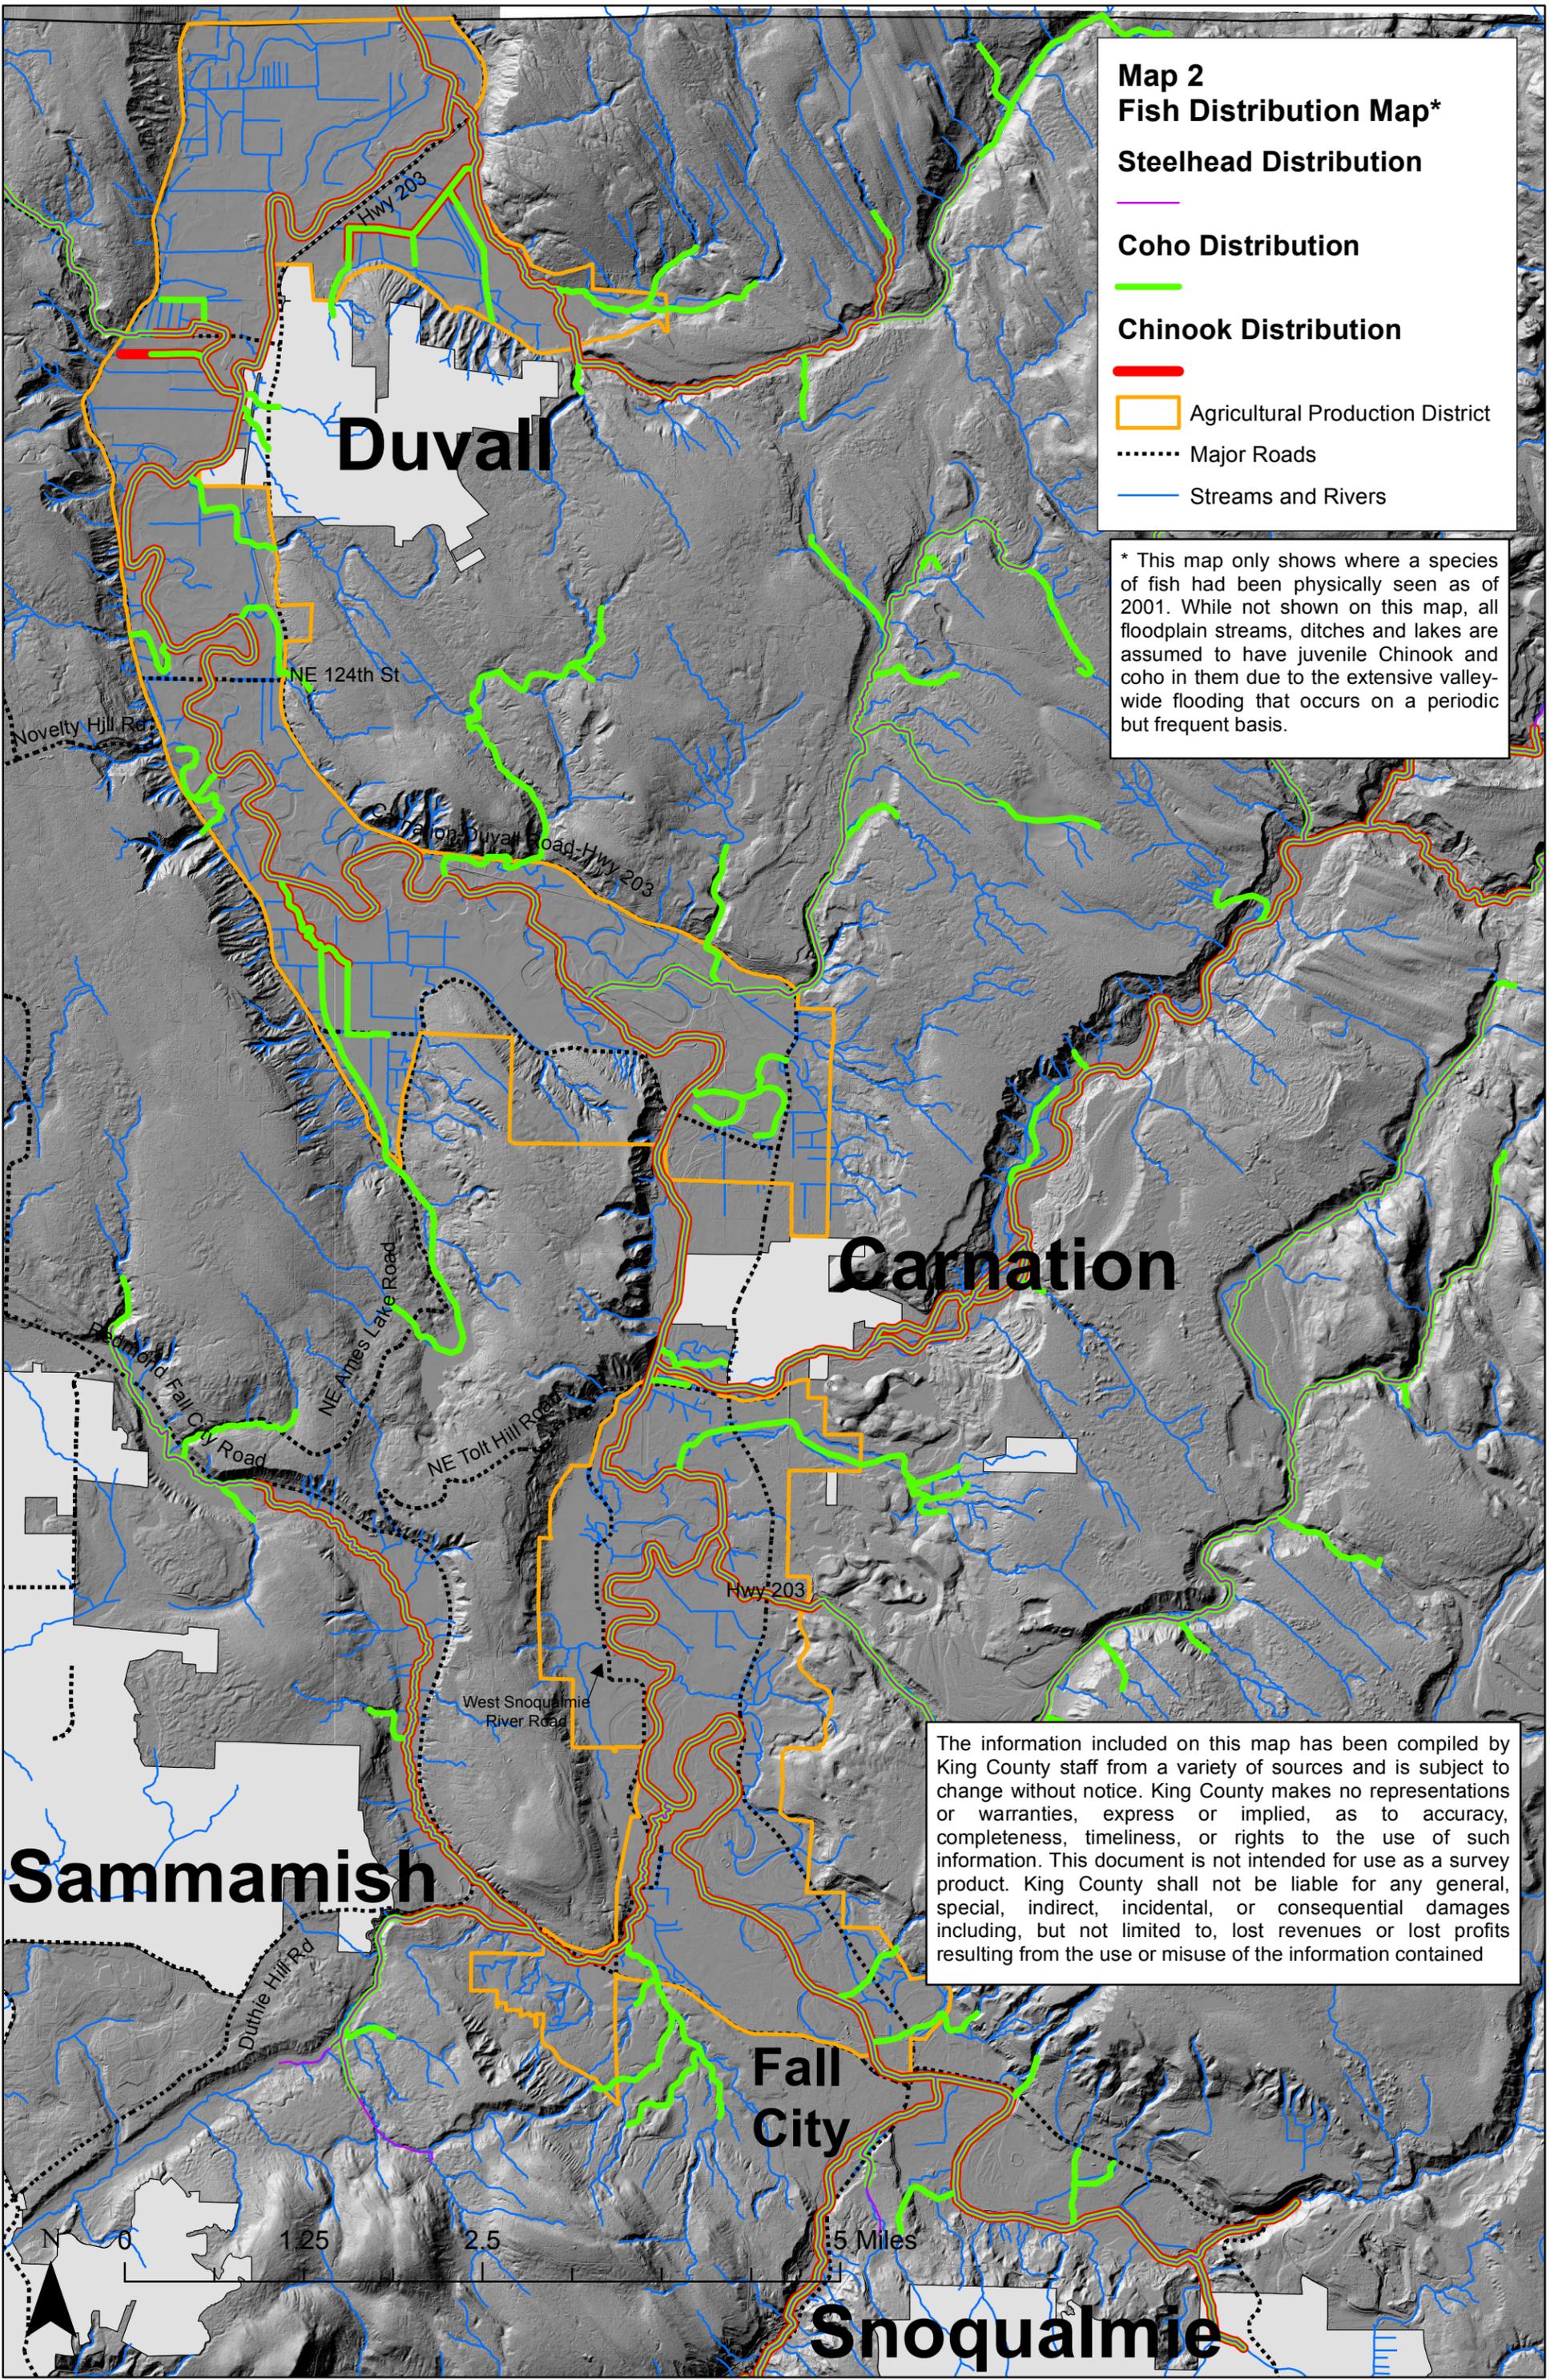

Chinook Distribution

 Agricultural Production District

 Major Roads

 Streams and Rivers

* This map only shows where a species of fish had been physically seen as of 2001. While not shown on this map, all floodplain streams, ditches and lakes are assumed to have juvenile Chinook and coho in them due to the extensive valley-wide flooding that occurs on a periodic but frequent basis.

The information included on this map has been compiled by King County staff from a variety of sources and is subject to change without notice. King County makes no representations or warranties, express or implied, as to accuracy, completeness, timeliness, or rights to the use of such information. This document is not intended for use as a survey product.
