

# Weed Watcher Training

**SUNDAY, JUNE 1, 2014  
9 AM TO 4 PM**

**Location:**

**NORTH BEND RANGER STATION MEETING HALL  
902 SE NORTH BEND WAY  
NORTH BEND WA 98045**

Come join other plant enthusiasts and hikers working to stop the spread of invasive plants in our recreation and wilderness areas. Volunteers will be trained to identify and map invasive plants along trails in the Middle Fork Valley, Mount Si, Snoqualmie Pass Gateway, Alpine Lakes Wilderness and other Wilderness Areas of the Mt. Baker-Snoqualmie National Forest.

***Hike with a purpose!***

***Help protect our natural areas from invasive plants!***

**Logistics:** Training will be in the classroom and outside within walking distance of the ranger station. Dress for the weather and plan on doing some walking. Bring something to write with, a clipboard or other writing surface, and a sack lunch.
