 General Election

Line Item	Description	Sub-Totals	Totals	Comment
-----------	-------------	------------	--------	---------

**Key**

**ACP:** Address Confidentiality Program

**AVU:** Accessible Voting Unit

**Challenged:** Ballot Envelopes that are not processed due to a variety of voter related issues / actions

**DIMS:** King County's election management / voter registration database

**GEMS:** King County's vote tabulation system

**WANDA Rejects:** Mail Ballot Envelopes not accepted by DIMS due to challenge or voter cancellation after ballot issued but prior to ballot returned

Notes: Notes:

- There was one voter who voted both at an AVC and by mail. The AVC ballot was issued in error after the mail ballot had been accepted and opened. Although the ballot accountability for both mail and AVC ballots reconciles, our registration system does not allow for both ballots to appear and be accounted for at the same time. In this case, this final report reflects actual ballots counted.
