

special ballot application

may not be filed earlier than ninety days before the applicable state primary or general election

KingCounty
Elections

1 I will be unable to return a regular mail ballot by normal mail delivery within the period provided for regular mail ballots. I am therefore requesting a special ballot for the:

- Primary election only
- General election only
- Primary and General elections

2 I also request a regular mail ballot for the election(s) specified above.

You may request and subsequently vote a regular mail ballot, if your regular mail ballot is received by King County Elections prior to certification of the election, it will be tabulated and the special mail ballot will not be processed.
