Get Around Your Neighborhood!

Use this map to travel by bus, light rail, streetcar, bike and foot to visit interesting places and services in your neighborhood. Find out how close you are to parks, schools, libraries, local businesses, community services, and so much more! Leave your car at home and try a new way of getting around!

How to use this map:

1. If you live, work, or visit a location in the area, mark it on the map. Find other locations where you would like to travel. Look closely—there are many things to see and do just around the corner.
2. Can you get there without a car?
   - Measure your trip by time instead of distance. You can get pretty far in a five minute walk and even farther by biking!
   - Bus routes and stops are marked. More bus information is often available at the stop or call 206-553-3000, check online or download an app to plan your trip: kingcounty.gov/metro
3. Once you decide on your travel option head out and give it a try! Try a new way to travel once a day, week or month. Whatever works! Leaving the car behind is good for you, your neighborhood and the environment. Take your first step towards a healthier lifestyle.
