- University District: 271, 556

Your Local Travel Resources

Use this map to bus, bike and walk to interesting places and services in your neighborhood. Find out how close you are to recreation, schools, libraries, local merchants, community services and so much more! Leave your car at home and try a new way of ***Getting Around!***

How to use this map:

1. If you live, work or frequent a location in the area, mark it on the map. Identify other locations you would like to travel to. Look closely – there are many things to see and do just around the corner.
2. Note the distance and determine if you can get to it without your car.

   a) Measure your trip by time instead of distance. You can get pretty far in a 5 minute walk and even farther by biking!

   b) Bus routes and stops are marked. Additional bus information is often available at the stop or call 206-553-3000 or check online to plan your trip: www.kingcounty.gov/metro
3. Once you decide on your travel mode head out and give it a try!
4. Try a new mode of travel once a day, week or month. Whatever works! Leaving the car behind is good for you, your neighborhood and the environment. Take your first step toward a healthier lifestyle.

Get Around your Neighborhood!
