

PUGET SOUND REGIONAL COUNCIL PRIORITY PROJECT LIST

NARRATIVE PROJECT INFORMATION - October 2011

Due to Peter Heffernan (peter.heffernan@kingcounty.gov) no later than close of business Wednesday October 12.

Project Sponsor: *King County, Road Services*

Project Name: *SW Roxbury Sidewalks*

Project Location: *SW Roxbury Street from 28th to 30th Avenue SW.*

What type of project is it: Support Centers X Corridors Serving Centers ____

Plan Consistency:

- Transportation 2040 project number: N/A
- Is the project consistent with the Transportation 2040: Yes X No ____

Project Description - No more than two full page - (see evaluation criteria for information to include):

- Briefly describe the project
- What is the intended outcome & benefit

The project will add curb gutter and sidewalk on the south side of a two block long section of SW Roxbury St in the Highline Potential Annexation Area just across the street from the boundary line of the City of Seattle. The project is along the frontage of a series of automotive related businesses with unregulated vehicle access. Consolidating driveway locations will decrease the number of car/ pedestrian conflicts. The project will also complete the sidewalk network on this minor arterial, providing improved pedestrian access to schools, shopping and transit options.

Project Status & Timeline

Where is the project at in development?

What is the timeline for this project from start to completion?

(Please identify the major phases)

Additional Comments

There are three private and public schools within a two block distance of the project location and several bus stops. ADT on Roxbury is high and this is a dense, urban street with high pedestrian and vehicular use. This project completes a gap in the existing system of sidewalks along Roxbury.

REPEAT THE ABOVE INFORMATION FOR EACH PROJECT
