The Contractor represents that it has or shall obtain all personnel, materials and equipment required to perform Work hereunder. Any current or former County employee who is involved, or becomes involved, in the performance of the Contract shall be disclosed; and the County shall determine whether conflicts of interest or ethical violations exist under the circumstances.

1.3 Termination for Convenience/Default/Non-Appropriation

The Contractor shall be paid its costs, including necessary and reasonable Contract closeout costs and profit on that portion of the Work satisfactorily performed up to the date of termination as specified in the notice. The Contractor shall promptly submit its request for the termination payment, together with detailed supporting documentation. If the Contractor has any property in its possession belonging to the County, the Contractor shall account for the same and dispose of it in the manner the County directs. Termination shall occur by serving a Notice of Termination by certified mail (return receipt requested) or delivery service capable of providing a receipt on the Contractor setting forth the manner in which the Contractor is in default and the effective date of termination.
3. The Contractor shall only be paid for Work delivered and Accepted, or Work performed in accordance with the manner of performance set forth in the Contract less any damages to the County caused by or arising from such default. All termination payment requests are subject to Cost or Price Analysis to verify compliance with the Contract, applicable laws and regulations.

C. Termination for Non-Appropriation

If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth in this Contract or in any Contract Amendment hereto, the County may, upon written notice to the Contractor, terminate this Contract in whole or in part.

1.4 Force Majeure

The term "force majeure" shall include, without limitation by the following enumeration: acts of nature, acts of civil or military authorities, terrorism, fire, accidents, shutdowns for purpose of emergency repairs, industrial, civil or public disturbances, causing the inability to perform the requirements of this Contract.
