As some relocation schedules cross this specific time period, an agency may need to assign a different tracking number to the carrier in order to secure payment for the services rendered. A change of agency tracking numbers shall not result in extra charges to the hiring agency, as the goal is to ensure the carrier receives payment in full for services rendered.

17. **Cancellation Fee** Should the hiring agency or a shipper elect to cancel a scheduled relocation within twenty-four (24) hours of the arranged pack/load date, the carrier may invoice the hiring agency a cancellation fee of \$75.00 plus materials that have been supplied and utilized.

24. **Purchasing Card Acceptance** In an effort to streamline the purchasing and payment process, the State is encouraging agencies to use the state contracted purchasing card to facilitate small dollar purchases. While at the present time, it is not mandatory that contractors accept credit card purchases, we encourage all state contractors to consider this alternate payment process. Please indicate in Bid Submittals which card(s) you presently accept and payment discount you may offer the state. The current card available for state agency use is a VISA product. Payments made through the credit card will be subject to “prompt payment discount.”
25. **State Funded Allotments** Pertains to Household Good moves, a hiring agency may impose limits less than the maximum allotments. If they do, the imposed allotment responsibility is between the hiring agency and the shipper. The hiring agency is liable for payment to the carrier in full and seeking reimbursement from the shipper for costs in excess of the imposed allotments. The ONE exception is when shippers’ goods are transferred from SIT to permanent storage, in which the hiring agency is NOT responsible for any costs including delivery associated with permanent storage. Anyone involved in moving historic furnishings of the Washington State Capitol you are liable to adhere to the following protocol.

**i. Prior to moving furniture:**

- a. Movers must remove from their person and clothing any items that will snag or scratch the furniture, like rings, watches, key chains, or pens protruding from pockets.
- b. Remove all books and materials from shelves and drawers of cabinets, desks and tables.
- c. Lock all cabinet doors so they will not swing open while being moved. To secure a door that will not lock, tie a soft string around the entire object, ensuring that the string does not rub or abrade the finished surface especially at corners.
- d. Remove all drawers and removable shelves from cabinets, desks and tables.
- e. Pad glass doors or windows, using soft string.
- f. Remove all REMOVABLE pieces and any ornamental detail or trim that is not attached in a secure way. This may include finials, broken feet or pieces of trim, hardware or ornamental details. Each item that is removed should be tagged with complete identification/location, packed with padding way and **kept with the piece of furniture from which it came** in order to be re-attached after the object has been moved to its end destination.
- g. Ensure that the route of travel to be used is of an adequate size, is free of clutter and that there are places that are clear of obstructions where the piece can be set down. Take measurements if necessary.

h. Make sure that every portion of the piece is firmly attached to the rest of the structural framework *before* lifting any piece of furniture, particularly heavy pieces.

ii. Do NOT do any of the following:

- a. Lift a chair by the arms or legs. Grasp it by the sides of the seat.
- b. Wear gloves when moving furniture, glazed ceramics or glass as they will reduce ability to grip and may cause hands to slip on a polished surface.
- c. Attempt to move anything larger than a small side chair with fewer than two people.
- d. Push a piece of furniture across the floor. Even when positioning a piece, always lift and move; do not push, turn or torque the furnishing.
- e. Lay a piece of furniture down on its top or side. If a piece must be laid down, it may be temporarily laid on its back, but the floor should be padded with movers' blankets. This is particularly important if the piece is being laid on its back in the mover's truck.
- f. Stack furnishings on top of one another.
- g. Attach labels, tags or anything else to finished surfaces (including leather) with tape of any kind.
- h. Move anything you are not confident you can handle safely. If you think it needs special attention, contact the OSP.

iii. DO the following:

- a. Use a four-wheel cart for moving heavy objects; however, it should be padded with movers' blankets to absorb shocks and protect the finish of the furnishing.
- b. Provide water-protective covering when moving furnishings in inclement weather.
- c. Roll several movers blankets together to serve as padding between the inside walls of the vehicle and the piece.
- d. Pad between each piece with movers blankets for protection when several pieces of historic furniture are being moved at the same time, fitting the smaller pieces around the larger pieces.
- e. Secure furnishings inside the mover's truck by using rope tied to cleats attached to the inner truck wall and around the furnishings. There must always be a movers blanket between the furnishing and the strap that secures it.

28. **Customer Responsibilities** The hiring agency and its shipper have responsibilities and restrictions they are liable for, such as:

- a. Hiring agency is responsible for assigning a tracking number prior to contacting the carrier to assign relocation
- b. Hiring agency is responsible for assigning the relocation directly to the carrier.

  - e. Hiring agency is liable for processing payment in full within 30-calendar days from receipt of an accurate invoice; failure to do so may result in a late-penalty invoice of 1% per the accrued unpaid balance.
  - f. The shipper (employee in a household goods move) is liable for reading and understanding Moving Guidelines as posted at: <http://www.ga.wa.gov/PCA/moving.htm> (The carrier is encouraged to become familiar with the states regulations and restrictions. Failure to do so may result in the carrier performing services for non-payment).
  - g. The shipper is liable for selecting either a state assigned move (subject to the terms & conditions of this contract) or a self-move. A Self-move is where the shipper may hire a carrier directly, or rent moving equipment (such as Budget, U-Haul etc.), pays directly the costs not associated with the terms conditions or pricing of this contract and then seek reimbursement from the hiring agency.
  - h. The shipper is liable for signing the appropriate documentation and for noting any discrepancies on the inventory sheets.

This will be provided at no cost to the state."
  - c. Item 90, Carrier Liability for Office Goods. Unless a hiring agency requests "Additional Insurance" listing the full value of items being transported, language will read "Replacement Cost coverage with No Deductible. Carrier provides coverage at \$1.20 per pound, per article, at no cost to the state. In case of loss or damage, the liability is \$1.20 times the net weight of the lost or damaged goods."
  - d. Item 100, Storage-in-transit (SIT). Language for Household Good shipment changes the "90-days" as referenced in the Tariff to reflect 180-calendar days or less pending further transportation."

Once shippers' household goods transfer from storage-in-transit to permanent storage (on the 181<sup>st</sup>-calendar day) the carrier will need to obtain a contract between the shipper and themselves for permanent storage costs, insurance coverage of such, and for

delivery from permanent storage. The hiring agency will NOT pay permanent storage costs or delivery there-from. Delivery from permanent storage must be performed as a COD.

- g. Item 120, Minimum Charge. Language to read; "A minimum two (2)-hour truck and driver charge will apply on shipments less than 35 miles. A minimum weight of 4,000 pounds will apply on shipments exceeding 35-miles.

Vehicles and employees used for that job assignment will be allowed a MAXIMUM of one (1)-hour total travel time to reach the shipment location when the origin site is within the same county as the carrier's warehouse.
