Janitorial/Industrial Paper Supplies - Green

Contract#: 00812 **Replaces:** 00307

Green Janitorial Supplies and Industrial Papers (Including Custodial Equipment and Incidental Services) Oregon is the lead state on this cooperative contract.

SPECIAL NOTICE: For immediate use. No waiver required by MCC/CI.

SPECIAL NOTICE: Portion Pac products are not available through this contract. If interested in Portion Pac products they are available by Correctional Industries through the 10103 contract.

This contract is now for the purchase of as needed green janitorial supplies and industrial paper products, including routine training, testing, consultation services, and dispensing machines contract, as an option for customers seeking environmental products that meet the Green Seal Organization standard and/or the Environmental Protection Agency, Designed for the Environment (DfE) standard.

The WSCA-NASPO states collectively elected to no longer maintain a janitorial supply contract to eliminate redundancy, due to the vast cleaning-related supply availability on other contracts. As the former WSCA contract lead, Oregon decided to independently maintain its own cleaning supply contract while allowing Washington to participate, which was recently awarded to three vendors.

Oregon's efforts resulted in a 100% green supply contract, due to the two Governors' green initiatives and both states' respective executive orders, including our EO 02-03, and 04-01 issued by Governor Locke that "directs all state agencies to purchase equipment, supplies and other products that do not contain persistent, toxic chemicals unless there is no feasible alternative", and directs that such products shall be made available through this office. See Chapter 70 RCW "Public Health and Safety" and Dept of Ecology website for further details.

While purchasing green supplies is recommended where feasible to meet these initiatives, if non-green cleaning supplies are needed, they can be found on other state master contracts (See DES website), such as the Grainger Contract for cleaning and related maintenance supplies, the Glove Contract for medical gloves, CI Umbrella Contract for

Portion Procure to follow DES Policies and RCW 39.26 for other purchasing options
Current Term Start Date: 07-31-2015 **Award Date:** 07-31-2015 **Est. Annual Worth:** \$5,844,581

Olympian Article - July 31, 2013: "Washington's Enterprise Services teams up with Oregon on contract for buying agency cleaning products"
