RE: Waiver from Standard Procurement Procedures for Keith Manufacturing Company

The Department of Natural Resources and Parks is seeking approval of a waiver from standard procurement procedures in order to procure Keith Manufacturing proprietary parts and services.

Pursuant to King County Code 2.93.070 we request that the above requirement be contracted on a proprietary basis due to the fact that we cannot obtain these parts and services from any other vendor. Please see the attached memo from Keith Manufacturing Company regarding their sole supplier status.

Keith Manufacturing Company is the only authorized supplier of Keith Manufacturing parts and service. Therefore they are the only supplier available to the Solid Waste Division. The Solid Waste Division owns walking floor trailers equipped with Keith Manufacturing parts, and the equipment is crucial for the operation of landfill. Keith Manufacturing proprietary parts and service is required for the repair of the Division's walking floor trailers. Alternate or aftermarket parts are not available for Keith Manufacturing walking floors.

We request this waiver be valid for a five year period. The projected purchase amount for the five year period is \$250,000. The Solid Waste Division has verified and will continue to verify each succeeding year, the accuracy of the enclosed documentation.

If you have any questions or need additional information, please contact Brian Pinney, Inventory Purchasing Specialist III, at 206-263-1067, or mail stop CHL-NR-0100.

ATT: Mr. Brian Pinney

Dear Mr. Pinney:

Please accept this letter as our confirmation that the KEITH Mfg. Co., Madras, Oregon facility would be the only location that would have all parts for your *WALKING FLOOR*[®] equipment in stock.

Please contact us here at 800-547-6161 or fax us at 541-475-2169 for any parts required. Most items, with the exception of floor slats, can be shipped the same day, for next day delivery.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Robinson", is written over a light blue horizontal line.

Mike Robinson

Request for Waiver 2015-250 – Summary

December 8, 2015

Department of Natural Resources and Parks, Solid Waste Division is seeking approval of a waiver from standard procurement procedures to procure Keith Manufacturing proprietary parts and services. This request is for five years and estimated spend is \$250,000.

History

King County Solid Waste Division owns walking floor trailers equipped with Keith Manufacturing parts, and the equipment is crucial for the operation of landfill.

Keith Manufacturing Company is the only authorized supplier of Keith Manufacturing parts and service and is the only vendor to obtain these parts and services for the King County Solid Waste Division.

Competition

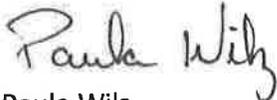

Buyer has conducted online research and confirmed that Keith Manufacturing provides the parts and service that are available only through Keith Manufacturing.

Cooperative Agreements

Buyer has investigated without success for any piggyback opportunities.

Recommendation

Buyer recommends this request is approved as a sole source.
