

# King County Solid Waste Division Assembly Program

## Here's what teachers are saying about *Our Planet, R Choices*

Every year I'm more amazed with the way the assembly grabs the attention of students to deliver an important message. — *Fourth-grade teacher, Snoqualmie Elementary*

Great assembly--the kids LOVED it and got a lot out of it! They are still singing the "R choices" jingle. — *First-grade teacher, Alcott Elementary*

The team presented in a way that was entertaining as well as effective. They are amazing! Every time I've seen them, I am impressed. — *Second-grade teacher, Camelot Elementary*

Love the energy! Great props. The kids were totally engaged and excited. The game at the end was fun and actors are fabulous. — *Fifth-grade teacher, Endeavour Elementary*

## Here's what teachers have said about past assembly programs

The bottom line is... the assembly was FANTASTIC!!! Our student body and faculty raved about the program. — *Principal, Kings Elementary, about Earth Smart Adventures*

The program is so good, year after year. I continue to learn things!

—*Second-grade teacher, Cascade View Elementary, about Earth Challenge: The Choice is Rs*

It was the best assembly I've seen! Thank you very much! Very clear information, clever, colorful, and fast-paced.

—*Second/third grade teacher, Sherwood Forest Elementary, about The Wiz Kids at Home*

It was awesome! The kids got very excited about recycling and now remind each other to use our re-use box. It's great!

—*Second-grade teacher, Woodin Elementary, about Earth Challenge: The Choice is Rs*

The assembly tied right into the life science kits that we all teach each year.

—*Fifth-grade teacher, Newport Heights Elementary, about Earth Smart Adventures*

It was outstanding. It is better and better every year!

—*Second-grade teacher, Sierra Heights Elementary, about The Wiz Kids at Home*

Wow! This was the best! The kids loved it. Thank you for helping to facilitate this very important discussion.

—*Fourth-grade teacher, Smith Elementary, about Earth Challenge: The Choice is Rs*
