## Rain Barrel & Compost Bin Sale

To encourage the use of recycled content material and more efficient use of water, the cities of Burien and Normandy Park are offering recycled plastic rain barrels at a huge discount. In addition, start backyard composting with a **compost bin** to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste—grass, leaves, old flowers—contain mostly water. Once the material decomposes, rich soil is all that's left.

\$20 each. Cash only. While supplies last. No pre or post event sales.
