### **New Rules For Latex Paint**

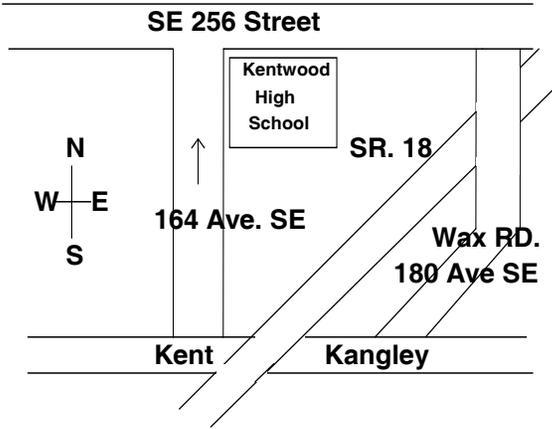

Latex paint is no longer considered hazardous waste and the household hazardous waste facilities in King County (the Wastemobile and Factoria) no longer accept it. Residents who cannot use up latex paint, please dry it out and put it in the garbage with the lid off. Visit the King County website [www.metrokc.gov/dnrp/swd](http://www.metrokc.gov/dnrp/swd) for more information on how to dry out latex paint. Residents can also drop-off other household hazardous waste at the Seattle household hazardous waste sites but not latex paint.

**Household hazardous wastes** can be taken to the Household Hazardous Wastemobile or one of three household hazardous waste collection sites. For more information about volume restrictions and other household hazardous waste disposal options visit [www.govlink.org/hazwaste/house/disposal/](http://www.govlink.org/hazwaste/house/disposal/) or call the Household Hazards Line Monday to Friday 9 am to 4:30 pm except holidays at 206-296-4692 or 1-888-Toxiced (869-4233).
