New Rules For Latex Paint
 Latex paint is no longer considered hazardous waste and the household hazardous waste facilities in King County (the Wastemobile and Factoria) no longer accept it. Residents who cannot use up latex paint, please dry it out and put it in the garbage with the lid off. Visit the King County website www.metrokc.gov/dnrp/swd for more information on how to dry out latex paint. Residents can also drop-off other household hazardous waste at the Seattle household hazardous waste sites but not latex paint.

Household hazardous wastes can be taken to the Household Hazardous Wastemobile or household hazardous waste collection sites in Seattle and Bellevue (Factoria). The Factoria Household Hazardous Waste Drop-Off Site is located at 13800 SE 32nd Street, Bellevue. The site is open 9 a.m. – 5 p.m., Tuesday through Sunday (except holidays). There is a 30 gallon limit per customer per day and customers will not get their containers back. No containers can be over five gallons in size.

For more information about volume restrictions and other household hazardous waste disposal options visit www.govlink.org/hazwaste/house/disposal/ or call the Household Hazards Line, Monday to Friday 9 a.m. to 4:30 p.m. except holidays at (206) 296-4692 or 1-888-Toxiced (869-4233).
