

Woodinville Park & Ride NE 179th and 140th NE

PLEASE NOTE: No flat beds or dump trucks allowed. We reserve the right to refuse oversized, commercial, contaminated, excessive, or unacceptable loads.

TIPS FOR PACKING YOUR LOAD:

In order to easily unload at each station, please pack your items for the stations in descending order; last item placed in your vehicle will end up being the first item out!

KEEP IN MIND that the higher the station number for a type of material, the earlier that material should be loaded into your vehicle.

The City of Woodinville would like to thank the following for their services:

All Battery, Complete Tank Recycling,
Emerald Services, LaValle Printing & Mailing,
L&S Tire Company, NW Cascade Honeybucket,
Total Reclaim, Seattle Goodwill Industries,
Waste Management/Sno-King and the
City of Woodinville Maintenance Staff

REMEMBER - CASH ONLY!

This event made possible through grants from the
Local Hazardous Waste Management Program
in King County and
King County Solid Waste Division

IMPORTANT REMINDER!

Secure Your Load

For Safer Roads!

- It is the law
- It prevents litter
- It saves lives
- Fines are costly

PLEASE NOTE: Set-up, stationing and material collection may be different than past recycling events in this location. Please refer to this flyer for materials that **will be** accepted.

DON'T BRING!

THESE HOUSEHOLD WASTES:

No construction/demolition debris
No yard waste or treated wood
No plastic toys, hoses, etc.
No mattresses & large furniture
No window glass, No garbage

THESE HAZARDOUS WASTES:

No pesticides/herbicides
No paints*, solvents & thinners
No household chemicals & cleaning products
No fluorescent lights & light fixture ballasts*

**Latex paint is no longer hazardous waste. King County residents need to dispose of it by drying it out and placing it in the garbage with the lid off.*

For more information please visit www.metrokc.gov/dnrp/swd/facilities/latex-paint-disposal.asp

**Ballasts containing polychlorinated biphenyls (PCBs) should be double bagged and taken to the Wastemobile or a household hazardous waste facility. Those stamped "No PCBs" can be taken to a transfer station.*

Household Hazardous Wastes can be taken to the Household Hazardous Waste-mobile or one of three household hazardous waste collection sites. For more information about household hazardous waste disposal options visit our website at:

www.govlink.org/hazwaste/house/disposal/

or call the Household Hazards Line Monday - Friday 9:00 am - 4:30 pm (except holidays) at 206-296-4692.
