IMPORTANT NOTICE!

Due to the overwhelming success and convenience of the new E-Cycle Washington Program, we will no longer accept televisions, desktop and laptop computers, and computer monitors at our biannual Kirkland residential recycling collection events.

We will still continue to accept all other electronic items at our events including cell phones, printers, scanners, fax machines, mice, and keyboards.

Single family (house) residents can still recycle their electronic items at the curb by calling Waste Management Customer Service at (800) 592-9995 at least one day before your regular garbage day.

You can now conveniently recycle your old televisions, desktop and laptop computers, and computer monitors for FREE YEAR-ROUND in Kirkland and King County.

For more information on the E-Cycle Washington Program and to find a collection site near you, go to www.ecyclewashington.org or visit the City of Kirkland's Free Electronics Recycling webpage at: www.ci.kirkland.wa.us/recycle.

REMEMBER: The only electronic items included in the E-Cycle Washington program are televisions, desktop and laptop computers and computer monitors. Other electronic items such as cell phones, printers, fax machines, mice, keyboards, DVD/VCR players, and other electronics devices are still collected at Kirkland Recycling Collection Events and at the curb for single family (house) Kirkland residents.
