

E-Cycle Washington

Washington has a FREE recycling program called "E-Cycle Washington" for computers, computer monitors, laptops, and televisions. Computer peripherals such as keyboards, mice, and printers are not included in this program but will be accepted at SeaTac's Recycling Collection Events.

To find authorized E-Cycle Washington collection locations call **1-800-RECYCLE** or visit **1800recycle.wa.gov**

Latex Paint Disposal

The household hazardous waste collection facilities in King County will NOT accept latex paint.

Mix latex paint with an equal amount of kitty litter or mix with a commercial paint hardener according to directions. Stir in completely. Let the paint dry. Once dry, put the can (with the lid off) in your garbage container.

Need to recycle items not accepted at the SeaTac Fall Event?

Visit King County Solid Waste Division's "**What do I do with...?**" website at <http://your.kingcounty.gov/solidwaste/wdidw/>
"reduce, reuse, recycle"
