Rain Barrel, Compost, and Worm Bin Sale

To encourage the use of recycled content material and more efficient use of water, the City is offering recycled plastic **rain barrels** at a huge discount. In addition, start backyard composting with a **compost bin** to save resources and money. Composting is a natural process that turns yard waste into rich soil. Yard waste contains mostly water. Once the material decomposes, rich soil is all that's left.

All items \$25 each. Cash only. While supplies last. No pre or post event sales.

Sunday - April 29, 2012

starting at 10 am at

Discovery Elementary School

Worm bin composting is an efficient way to convert kitchen scraps into nutrient-rich compost for your garden. Simple to assemble and can be stored in or outside. Made in the US and constructed from high quality recycled plastic-\$25 each.
