

Join the One Less Bag Challenge.

Reduce, reuse, recycle and save resources.

EcoConsumer Earth Day Climate Challenge

The King County [EcoConsumer](#) program website offers abundant resources for personal sustainability. Visit the website in April to check out the annual EcoConsumer Earth Day campaign! You can visit the website today to learn about the EcoConsumer Earth Day Climate Challenge and four steps you can take to help reduce climate change.

Compost Days Discounts and the Big Garden Give

March 15th is the start of Compost Days, a month-long effort to thank King County residents for composting through curbside food and yard waste collection. To celebrate, from March 15 – April 15, Compost Days is offering deep discounts on Cedar Grove compost, kitchen containers and compostable bags at Fred Meyer. This year, Compost Days will contribute compost to local gardens with the Big Garden Give; the region's first-ever compost drive, which aims to provide FREE compost to over 150 gardens that grow food for low-income residents.

3 DAYS. 3 LOCATIONS. 1 CAUSE.

The Big Garden Give

Saturday, March 15: Lynnwood Fred Meyer, 10am – 4pm, 4615 196th St. SW, *Meet celebrity garden radio host Ciscoe Morris, broadcasting live from 10 a.m. to noon!*

Saturday, March 22: Maple Valley Fred Meyer, 10am – 4 pm, 26520 Maple Valley Black Diamond Rd. SE

Saturday, March 29: Ballard Fred Meyer, 10am – 4pm, 915 NW 45th St.

Visit [Compost Days](#) to download your coupon for the compost discount. And, for every coupon redeemed Cedar Grove will donate 1 bag of compost to local gardens.

At Compost Days events save on Cedar Grove compost, get your gardening questions answered and give back by donating a bag of compost to local gardens growing food to fight hunger.

Learn how to teach others to waste less and recycle more through King County's free Master Recycler Composter classes

Sign up by April 30 for classes scheduled for May 3, 10 in Kent

More than half of what comes to King County's Cedar Hills Regional Landfill can be recycled. To help reduce waste and conserve resources, King County's Solid Waste Division offers free training that teaches the do's and don'ts of recycling and how to engage the public to recycle more. The Master Recycler Composter program training is open to all King County residents living outside the cities of Seattle and Milton. Master Recycler Composter trainees become part of a select group of King County residents who work to improve our environmental quality of life by sharing what they have learned through community outreach.

Training Schedule

Saturday, May 3 & Saturday, May 10: 9 a.m. to 2 p.m., Kent Senior Activity Center, 600 E. Smith St., Kent. Participants must attend both trainings; an optional but recommended field trip is scheduled for May 17 from 9 a.m. to 2 p.m.

Applications are due by April 30. To get more information, or to obtain an application for the

training, visit the [MRC website](#), contact us by [email](#) or by phone at 206-633-0451, ext. 120. Special accommodations should be requested by April 16.
