

# The NORTHWEST EcoBuilding Guild™

Presents

## Ten Projects. Ten Slides. Ten Minutes.

A high energy showcase of the ten most exciting, sustainable building projects around Seattle. In celebration of the 100-year anniversary of International Women's Day, we are highlighting remarkable projects by top women green building professionals.

Patti Southard, Program Manager for the King County Green Tools Program, will be the evening's emcee.

**Saturday, September 10, 2011**

**Bastyr University Auditorium**

**Doors open at 5:00 p.m.**

4:00 p.m. - Optional Tour of Bastyr University's LEED for Homes Platinum Certified Student Housing, one of our winners from last year's 10x10x10 competition.

Tickets: \$20 in advance at: <http://www.brownpapertickets.com/event/165906>

After September 8, 2011, 4 p.m., Tickets are \$30
