There are no express or implied warranties for this map; the information it depicts, the data upon which it is based, or any service furnished herein. There is no warranty of merchantability for this map’s accuracy or its depiction of chinook salmon distribution or water body location. This map is not warranted as fit for a particular purpose.

This map depicts the known freshwater distribution of chinook salmon (Oncorhynchus tshawytscha) for Water Resource Inventory Area (WRIA) 9.

The depicted limits of known freshwater distribution of chinook salmon are based upon the collective personal knowledge of participants in the WRIA 9 mapping project and data they gathered from published and unpublished databases.

This map may underestimate or overestimate the actual distribution of chinook salmon. Also, this map may inaccurately depict the location of water bodies. For example, some water bodies may be incorrectly located on this map, or may not be depicted on this map at all. All users of this map should seek the assistance of qualified professionals such as surveyors, hydrologists, or fishery biologists as needed to ensure that such users possess complete, precise, and up-to-date information on freshwater chinook salmon distribution and water body location.
