

**K4C Elected Official Work Session**  
**June 3, 2021 2:00 – 3:30pm**  
virtual meeting via zoom

[Click here to join the Work Session](#)

- 2:00 – 2:10**      **Welcome and Goals for this Work Session - Executive Dow Constantine**
- 2:10 – 2:25**      **2021 State Legislative Session and Federal Policy Overview**
- 2:25 – 2:35**      **Preparing for GMPC vote on stronger climate targets**
- 2:35 – 3:25**      **Spurring human centered, low-carbon housing for all**  
*Guest presenters will speak briefly to participants, then we will breakout for small group discussions on how elected officials can advance these policies and investments.*
- **Green Affordable Housing** – *Homestead Community Trust Kathleen Hosfeld Executive Director will share challenges to development of more affordable and accessible housing and give guidance on state and local actions they can take to lower development costs and encourage more high performance affordable/accessible housing.*
  - **No and low carbon buildings** – *City of Seattle Energy Code and Energy Conservation Advisor Duane Jonlin will share Seattle’s new code improvements, projected impacts, and speak to the importance of elected officials’ support.*
  - **Land Use as a key to low carbon communities** – *City of Shoreline Mayor Will Hall will outline his city’s actions to accelerate development of multi-family, transit oriented housing that dramatically lowers household carbon footprints.*
- 3:25 – 3:30**      **Wrap Up and Closing Remarks - Executive Constantine**
