COMMUNITY SERVICE AREAS
King County’s Unincorporated Communities

GREATER MAPLE VALLEY/CEDAR RIVER
Community Service Area Work Plan
2015 - 2016 King County Projects & On-going Programs
Greater Maple Valley/Cedar River Area lies east of the cities of Renton and Kent and north of Covington, Maple Valley and Black Diamond and extends east to the border with Kittitas County. The western portion of this CSA has low rolling hills with several lakes, while the eastern portion moves into the Cascade Range, including portions of the Forest Production District and part of the Mount Baker-Snoqualmie National Forest.

2016 King County Comprehensive Plan Update
The 2016 update is the fifth major review of the King County Comprehensive Plan. During this four-year review cycle, substantive changes to policies, land use designations and the Urban Growth Area boundary can be proposed and adopted. The deadline for submitting docket requests is June 30th. Visit http://www.kingcounty.gov/depts/executive/psb/regional-planning/king-county-comprehensive-plan.aspx for more information.

Green to Cedar River Regional Trail

This project will improve an 11.3-mile corridor of existing soft-surface and unimproved trail corridor to a full standard shared-use trail, from the Cedar River Trail in Maple Valley to Flaming Geyser State Park on the Green River. The trail would provide improved non-motorized access to parks, neighborhoods and commercial areas in the communities of Black Diamond, Maple Valley and unincorporated King County. This project is a partnership with the cities of Black Diamond and Maple Valley. The project is divided into two segments: the north segment is 3.25 miles in length and travels from the existing Cedar River Trail to SE Kent Kangley Road. The south segment is 8.1 miles in length and travels from SE Kent Kangley Road to Flaming Geyser State Park. The first phase of the project will include design, public outreach and permitting for the entire corridor.

- 30% design of entire 11.3 mile corridor: February 2015-July 2016
- Construction of north segment: September 2017-April 2019

Linda Frkuska 206.477.4484 • linda.frkuska@kingcounty.gov

Black Diamond Open Space Trails Development

Project underway.

McGarvey Forest Harvest

This summer, King County will harvest 71 acres of forest in McGarvey Park Natural Area as part of the 2011 McGarvey Park Forest Stewardship Plan. The goals of this harvest include:

- Restore 71 acres of forest
- Harvest dying and poor quantity hardwoods
- Retain all existing conifers
- Plant conifers following harvest
- Retain wildlife habitat snags
- Protect streets and wetlands

The McGarvey Park Open Space Forest Stewardship Plan and answers to frequently asked questions are available at: http://www.kingcounty.gov/recreation/parks/naturalresources/foreststewardship.mcgarvey.aspx

Solid Waste Division

Landfill Operations (active and closed landfills)
- Cedar Hills Regional Landfill Community Meetings provide an ongoing forum for landfill-area residents and King County Solid Waste Division staff to discuss conditions and activities at the landfill. Meetings occur twice a year, or more frequently as needed. Website: http://your.kingcounty.gov/solidwaste/facilities/cedar-hills-meetings.asp
- North Flare Station to Bio Energy Washington Landfill Gas Transmission Pipeline Replacement Project - replacement of the entire length of the pipeline in 2015.

Strategy, Forecast and Performance, Polly Young – 206-477-5266
Field Support Engineering, Neil Fujii 206-477-5219

Strategic Planning
Will involve community engagement
- Cedar Hills Site Development Plan – considers alternatives to extend the useful life of the landfill by developing more disposal capacity at the site.
- Solid Waste Transfer and Waste Management Plan Review – identify and analyze strategies to manage transactions at transfer stations, as well as other operational and capital strategies such as increased use of underutilized transfer stations. Website: http://your.kingcounty.gov/solidwaste/about/plan-review.asp
- Comprehensive Solid Waste Management Plan Update - proposes strategies for managing King County’s solid waste over the next 6 years, with consideration of the next 20 years.
Website: http://your.kingcounty.gov/solidwaste/about/planning/comp-plan.asp

Water & Land Resources Division

Rainbow Bend Levee Removal and Floodplain Reconnection
The project was implemented to reduce flood hazards to more than 50 families and provide long-term protection to a major regional transportation corridor; restore riverine processes and floodplain connectivity to approximately 40 acres by removing approximately 900 feet of existing levee and revetment, reconnecting historic side channels, adding floodplain roughening elements, and planting native vegetation.
- Substantially completed in 2013; final planting and portage route enhancement to be completed by summer 2015
Jon Hansen - 206.477.4706 • jon.hansen@kingcounty.gov

Elliot Reach WSDOT Mitigation
Help meet part of WSDOT 520 mitigation by creating wetland, off-channel habitat, and floodplain connections on roughly 5 acres of property in the Elliot Reach. Work will be completed via the Mitigation Reserves Program.
- Construction summer 2015; potential second phase in 2016
Jon Hansen 206.477.4706 • jon.hansen@kingcounty.gov

Renton Gravel Removal
King County Rivers and Floodplain Management group, with funding from the King County Flood Control District, is supporting Renton on a $8M project to remove periodic buildup of gravel in the lower Cedar River. This regionally significant project will provide continued flood protection to the Renton Boeing Plant and Renton airport. City plans to construct pending permits in 2016.
- Construction summer 2016
John Engel 206.477.4685 • john.engel@kingcounty.gov

9 Salmon Habitat Restoration Program (SHRP) projects
Working with local property owners and public agencies to design, permit, and construct habitat enhancement projects.
- 2011-2016
Laura Hartema - 206.477.4708 • laura.hartema@kingcounty.gov
Water & Land Resources Division Cont’d.

**Knotweed Control Projects**
Work with non-profit organizations and local landowners to remove knotweed and plant native vegetation along the Cedar River.
- On-going, seasonal
  Steven Burke - 206.477.4639 • Steven.J.Burke@kingcounty.gov

**Cedar River Garlic Mustard Detection and Control**
King County is surveying for and working to eradicate the Class A noxious weed garlic mustard, an alarming new invasive plant infesting properties on the Cedar River, before it gets spread further by floodwaters, animals and other types of disturbance.
- On-going, seasonal
  Roy Brunskill - 206.477.4656 roy.brunskill@kingcounty.gov

**Lake Desire Aquatic Weed Control Project**
This grant project will conclude in June 2015. From 2012-2014, the county controlled purple loosestrife, fragrant water lily and Eurasian watermilfoil on Lake Desire with help from funding from the Department of Ecology’s Aquatic Weed Management Fund grant program, volunteer time of Lake Desire residents, and noxious weed program staff time.
- Summer 2012-Spring 2015
  Ben Peterson - 206.877.3935 • ben.peterson@kingcounty.gov

**Salmon SEeson**
Spot spawning salmon in the Lake Washington/ Cedar/ Sammamish Watershed. Naturalists and experts will be on hand at specified sites at specified times. Check website for information.
- September 2014-January 2015 depending on the site

**Director’s Office**

**2015 Code Updates**
Transmit an omnibus zoning code amendment package including amendments to shoreline and critical area regulations and adding sustainable development standards.
- 1st Quarter 2015
  Transmit an ordinance requiring construction and demolition waste diversion for unincorporated King County Continuing and creating a Living Building Challenge demonstration project.
- 3rd Quarter 2015
  Lisa Verner - 206.477.0304 • lisa.verner@kingcounty.gov

**Green Building Handbook**
Developed a handbook of sustainable development techniques for all types of residential building and site development that are especially suited for rural landowners.
- February 2015
  Lisa Verner - 206.477.0304 • lisa.verner@kingcounty.gov

**Isolated Industrial Zoned Property Research**
Prepared and transmitted to the Metropolitan-King County Council, a report on isolated parcels with Industrial Zoning on which marijuana uses may locate and evaluate possible zoning changes, per Ordinance 17893.
- 1st Quarter 2015
  Lisa Verner - 206.477.0304 • lisa.verner@kingcounty.gov

At the permit counter of the new Snoqualmie offices for the King County Department of Permitting and Environmental Review, County Executive Dow Constantine issues the first single-family home building permit to permit runner Lori Reynolds, owner of The Permit Group. Looking on is permit review coordinator Stacy Graves.
Department of Permitting & Environmental Review Cont’d.

Permitting

Permit Process Improvements
Convert Notice of Decision (NOD) to postcard format. NOD documents will be available on-line.
- 4th Quarter 2015
  Kim Simpson – 206-477-0365 • kim.simpson@kingcounty.gov

Marijuana Legislation
On-going efforts to refine, administer and implement King County’s recently adopted marijuana legislation.
- 4th Quarter 2015
  Ty Peterson – 206.477.0449 • ty.peterson@kingcounty.gov

Landslide Hazard Mapping
Complete work on updating landslide hazard mapping for all unincorporated King County outside of the Forest Production District. The final product will, in addition to the updated map, include possible amendments to the steep slope and landslide hazard regulations.
- 3rd Quarter 2016
  Greg Wessel – 206.477.0342 • greg.wessel@kingcounty.gov

Customer Service
Implement a 1 year pilot project with Public Health to co-locate a septic review/inspector at DPER
- February 2015
  Chris Ricketts - 206.477.0357 • chris.ricketts@kingcounty.gov

Customer Service
On-line permitting for simple, no-review permits.
- 3rd Quarter 2015
  John Backman 206.477.0447 • john.backman@kingcounty.gov

Completed Projects

Director’s Office
2014 Code Updates
- An ordinance updating building and fire codes was adopted. 2nd Quarter 2014
- An omnibus code update was adopted that included changes to zoning, permit processing and subdivision standards, making technical corrections and improving the alignment of county regulations with rural and resource land uses. 2nd Quarter 2014
- Ordinances 17877 and 178978 were adopted creating an alluvial fan demonstration project that allowed up to ten projects, five within shoreline jurisdiction and five outside of shoreline jurisdiction. These projects will test and evaluate alternative ways to manage sediment deposited on alluvial fans. 3rd Quarter 2014
- Extended moratorium on permits for medical marijuana dispensaries and collective gardens to June 15, 2015 to allow for action by State Legislature and possible County code amendments. 3rd Quarter 2014

Permitting

Customer Service Hours
DPER revised its customer service hours to provide full service to the public four days per week. Prior to this change customer service hours are limited to half days four days a week with full day service on Wednesdays.
- February 2014
  Kim Layman -- 206.477.0360 • kim.layman@kingcounty.gov
Department of Permitting & Environmental Review Cont’d.

**Customer Service**
Converted public Notices of Application (NOA) to a postcard format. All NOA notice materials now available on-line.
- December 2014
  Kim Simpson – 206-477-0365 kim.simpson@kingcounty.gov

**On-line Services**
DPER expanded on-line services to include obtaining permit status, scheduling permit inspections and obtaining inspection results, and filing code enforcement complaints.
- December 2014
  John Backman - 206.477.0447 • john.backman@kingcounty.gov

**Permit Intake**
Permit intake procedures were revised and consolidated to improve consistency and improved customer service.
- July 2014
  Kim Simpson – 206-477-0365 kim.simpson@kingcounty.gov

**Landslide Mapping**
DPER partnered with the King County Flood Control District to complete the first phase of a comprehensive update to landslide hazard mapping in unincorporated King County. Phase I mapping covered large and deep seated landslide along the major riverine corridors and on Vashon and Maury Islands.
- December 2014
  Greg Wessel – 206.477.0342 • greg.wessel@kingcounty.gov

**Code Compliance 24 X 7 Complaint Response**
DPER updated its procedures for responding to emergency complaints that are filed outside of normal business hours and on week-ends.

  Outreach: Tristan Cook – 206-477-3842 • tristan.cook@kingcounty.gov

Fish Passage
Fish passages are scheduled to be constructed at 17406 SE May Valley Road at 17407 155th Avenue SE.
- To be built summer 2015
  Rick Schwartz – 206-296-8212 • rick.schwartz@kingcounty.gov

Metro Transit

Alternative Transit Service Study
Metro’s Five Year Implementation Plan for Alternative Service Delivery has identified a portion of SE King County & Maple Valley, including the SR-169 corridor, as a candidate area for a potential demonstration project. The project’s objective is to evaluate the feasibility of alternative transportation services that could provide the same or an improved level of mobility in the community, at less cost than existing fixed route services.

- Planning and outreach from March 2015 through October 2015. Any new service would begin in March 2016.
  Doug Johnson - 206.477.5837 • doug.johnson@kingcounty.gov

Service Guidelines Task Force
In 2010, King County formed a Regional Transit Task Force which recommended that Metro create objective, data-based guidelines for planning and managing transit service. Metro responded to this recommendation, and the King County Council adopted Metro’s strategic plan and service guidelines in July 2011.

Now, after several years’ use of the service guidelines in transit planning, the King County Council has asked Metro to form a new task force to further analyze how transit service is evaluated and allocated. Specifically, the Council asked the task force to review and make recommendations regarding:

1. How transit service performance is measured to reflect the varied purposes of different types of transit service.
2. Approaches to evaluating how the goal of geographic value is included in the guidelines, including minimum service standards.
3. Approaches to evaluating how the goal of social equity is included in the guidelines.
4. Financial policies for purchase of additional services within a municipality or among multiple municipalities.
5. Guidelines for alternative services implementation.

The Service Guidelines Task Force, comprised of 33 executive level participants, will do this work in the first part of 2015 so that it can influence development of both Metro’s long-range plan, scheduled to be complete by mid-2016, and its service guidelines update, scheduled to be complete by April 2016.
  Chris O’claire - 206.477-5801 • christina.oclaire@kingcounty.gov

Metro Long Range Plan
With King County growing fast, it’s time to lay the foundation for a public transportation system that moves more people and moves them better. What should our transit system look like in 25 years? How can we support our economy, our environment, and the people who live here? How will Metro integrate with the expanding light rail system? These are the kind of questions that captured the imagination of
civic leaders years ago, and their vision led to the public transportation system we rely on today. Now it’s time to imagine a new future.

Metro’s long range plan will present a shared vision for a future public transportation system that gets people where they want to go and helps our region thrive. The plan will describe an integrated network of transportation options, the facilities and technology needed to support those services, and the financial requirements for building the system. It will be developed in close coordination with Sound Transit and other transportation agencies.

Over the next two years, Metro will work with transit riders, cities, community groups, and motorists to shape a long-range plan for meeting our region’s growing and changing public transportation needs.

Chris O’claire - 206.477-5801 • christina.oclaire@kingcounty.gov

**Completed Projects**

**Road Services**

**Drainage**

Outlet improvements were done at 276th Avenue SE at Carey Creek. Culvert replacement and realignment was done for 196th Avenue SE at SR-169. Drainage work was done at Black Diamond-Ravensdale Road at the BNSF railroad crossing.

Rick Schwartz – 206-296-8218 • rick.schwartz@kingcounty.gov

**Fish Passage**

Fish passage was done at Kerriston Road at 3.87 miles past the end of pavement (Note: Duplicate entry with Southeast CSA).

**King County Department of Executive Services**

**Records & Licensing Services**

**Community Service Centers (CSCs)**

The King County Community Service Center (CSC) Program works to make it easier to do business with King County via sites located throughout the county.

At any King County Community Service Centers site, you can:

- Apply for a U.S. passport
- Apply for a Washington State marriage license
- Purchase certified copies of recorded King County marriage certificates
- Pay King County property taxes
- Purchase or renew a King County pet license
- Obtain information on other county services and programs such as: senior citizen property tax exemptions; assessment appeal forms; property assessment information; local fresh produce guides; bus, bike, or ferry information
- King County job listings and applications

Because King County Community Service Centers offer services on behalf of several agencies, different guidelines or rules apply depending on the service. For additional information on any service, please check out the CSC website and contact the site you intend to visit.

Parks
On-going maintenance and community outreach
Maintenance of Taylor Mountain, Ravensdale, Black Diamond, Cedar River Trail, Spring Lake, McGarvey, Danville Georgetown, Henry’s Ridge and other park facilities within the service area as well as on-going conservation easement monitoring. On-going reforestation projects in Taylor Mountain and McGarvey parks for the next few years. Community outreach with user groups within the service area. Knotweed control efforts continue along the Cedar River to comply with noxious weed regulations. Restoration work by Parks staff and volunteers has occurred at several natural areas along the Cedar River including Cavanaugh Pond and Belondo Reach Natural Area
Don Harig - 206.477.6140 • don.harig@kingcounty.gov

Volunteer Program Events
Volunteers that participate in the King County Parks volunteer program provide more than 55,000 hours of service in our parks and on our trails each year. From building and repairing backcountry trails to removing invasive blackberries to
promoting recycling and composting at summer concerts, these volunteers play an important role in stewarding our 26,000 acres of open space. Sign-up for the volunteer newsletter for a listing of scheduled events in the area at, http://lnks.gd/5plg. If you, your group or business is interested in doing a volunteer project at your favorite KC Park site, or, if you’re interested in other volunteer opportunities with Parks, please contact Volunteer Program Manager Laurie Clinton.

Laurie Clinton – 206.296.4452 • laurie.clinton@kingcounty.gov

Solid Waste Division

Waste Reduction and Recycling Outreach and Education

Includes programs and services such as:

- **K-12 Schools program** – assembly programs, classroom workshops and assistance to student Green Teams. Website: http://your.kingcounty.gov/solidwaste/secondaryschool/index.asp
- **Green Schools Program** - assists private and public K-12 schools and school districts to initiate and improve waste reduction, recycling, conservation, and pollution prevention practices and recognize high achievement. Website: http://your.kingcounty.gov/solidwaste/greenschools/index.asp
- **Recycling Collection Events** - King County funding provided to cities and unincorporated areas to offer events for residents and businesses to recycle select materials. Website: http://your.kingcounty.gov/solidwaste/garbage-recycling/events.asp
  - Covington Recycling Collection Event allows neighboring unincorporated area residents
  - Maple Valley Recycling Collection Event allows neighboring unincorporated area residents
- **Brownfields Program** - provides assistance to qualified private individuals and businesses, nonprofit organizations, and municipalities within King County to assess and clean up contaminated sites, or Brownfields. Website: http://your.kingcounty.gov/solidwaste/brownfields/index.asp
- **EcoConsumer** – provides information and resources about recycling, waste reduction, product stewardship, climate change and more via a Seattle Times column, and TV, and radio appearances. Website: http://your.kingcounty.gov/solidwaste/ecoconsumer/index.asp
- **Green Tools** – this green building program supports county agencies, cities, the building community, and the public in designing buildings and structures that have fewer impacts on the environment, are energy efficient, and use recycled materials. Website: http://your.kingcounty.gov/solidwaste/greenbuilding/index.asp
Natural Resources & Parks - Solid Waste Division Cont’d.

- LinkUp – works with businesses, agencies and other organizations in the Puget Sound area to expand markets for selected recyclable and reusable materials. Website: http://your.kingcounty.gov/solidwaste/linkup/index.asp
- Master Recycler Composter – this adult education program provides free training about waste reduction, recycling, solid waste impacts on climate change and public outreach. In exchange for the free training, program graduates are expected to volunteer 25 hours for public outreach. Website: http://your.kingcounty.gov/solidwaste/mrc/index.asp

Water and Land Resources Division
Green Shorelines
Information and guidance for understanding and implementing Green Shoreline practices and green dock designs, estimating costs and maintenance, and getting through the permitting process.

Salmon Watcher
Salmon Watcher is a multi-jurisdictional effort focused at protecting Pacific Northwest salmon and educating the community in the process. The 16-year-old program involves volunteers watching streams for spawning salmon mainly within the Lake Washington/Cedar/Sammamish Watershed.

Seasonal Drainage and water quality complaint investigations
Respond to citizen concerns regarding stormwater runoff and surface water quality problems on both residential and commercial property in the unincorporated areas of King County.

Minimize stormwater pollution
Stormwater runoff comes from small, individual sources in all parts of the watershed. It is a problem that residents can change by stopping small, individual activities that cause pollution and result in large-scale pollution.

Neighborhood Drainage Assistance Program (NDAP)
NDAP addresses flooding, erosion, and sedimentation problems beyond the control of private home and business owners. The NDAP can design and fund capital improvement projects, repair existing drainage systems, and provide technical assistance for questions about construction, permit, and storm drainage.
Brian Sleight - 206.477.4826 • brian.sleight@kingcounty.gov

Agricultural Drainage Assistance Program (ADAP)
ADAP helps agricultural property owners improve drainage of their fields by providing both technical and financial assistance.
Brian Sleight - 206.477.4826 • brian.sleight@kingcounty.gov
Natural Resources & Parks - Water & Land Resources Division Cont’d.

**Livestock program**
Support the raising and keeping of livestock to minimize adverse impacts on the environment, particularly on water quality and salmon habitat. This includes help developing a workable solution for handling livestock waste.  
Rick Reinlasoder - 206.477.4810 • rick.reinlasoder@kingcounty.gov

**Farmland Preservation Program**
The County purchases development rights from agricultural landowners to permanently protect the land for future farming. It is a voluntary program.  
Ted Sullivan - 206.477.4834 • ted.sullivan@kingcounty.gov

**Forestry program**
The County offers education, technical assistance, and economic incentives aimed at retaining forest land for its environmental, social, and economic benefits. http://www.kingcounty.gov/environment/wlr/sections-programs/rural-regional-services-section/forestry-program.aspx  
Kristi McClelland 206.477.4767; Bill Loeber 206.477.4755  
kristi.mcclelland@kingcounty.gov

**Native Plant Salvage Program**
Volunteer to remove plants from sites that are scheduled for construction and later replant this native vegetation at locations around the County. School, business, and community groups and other organizations can call to arrange a plant salvage event during the week.  
Saturdays between October and March; see website for dates

**Lake Weed Watcher**
Volunteers are trained to survey for aquatic weeds in King County small lakes. The goal is to watch for invasive weeds that are not currently known to occur in King County or that have a very limited distribution, but have the potential to spread and cause damage.  
206.477.WEED (206.477.9333)  
Seasonal

**Noxious weeds program**
King County provides education and technical assistance to landowners and public agencies to help them find the best control options for noxious weeds on each site and to reduce the overall impact of noxious weeds throughout the county.  
206-477-WEED (206-477-9333)  
http://www.kingcounty.gov/environment/animalsAndPlants/noxious-weeds.aspx

**Current use taxation**
The Public Benefit Rating System programs provide incentives to encourage landowners to voluntarily conserve and protect land resources, open space, and timber. In return for preserving and managing resources, the land is assessed at a value consistent with its “current use” rather than the “highest and best use.” The reduction in assessed land value is greater than 50 percent and as much as 90 percent for the portion of the land participating in the program.
Natural Resources & Parks - Water & Land Resources Division Cont’d.

Megan Kim, 206-477-4788 • megan.kim@kingcounty.gov

Hazardous waste management
Call EnviroStars at 206.263.3063

Transfer of development rights
The TDR program is a voluntary, incentive-based, and market-driven approach to preserve land and steer development growth away from rural and resource lands into King County’s Urban Area. Rural landowners realize economic return through the sale of development rights to private developers who are able to build more compactly in designated unincorporated urban areas and partner cities. http://www.kingcounty.gov/environment/stewardship/sustainable-building/transfer-development-rights.aspx
Darren Greve - 206.477.4702 • darren.greve@kingcounty.gov

Hazardous waste management
Small businesses can get advice, cash incentives, safety materials, training, and access to free disposal to decrease and safely dispose of hazardous waste materials. Materials available in multiple languages. http://www.lhwmp.org/home/BHW/sqg.aspx
Call the Business Waste Line 206.263.8899

Restoration Project Monitoring and Maintenance
The Ecological Restoration and Engineering Services Monitoring and Maintenance Program aims to find ways to make projects more cost-effective and reliable through the use of comparative studies and experiments. The program tracks project outcomes and performs maintenance and modifications, as needed, to ensure projects meet their goals.
Josh Latterell - 206.477.4748 • josh.latterell@kingcounty.gov

Small Habitat Restoration Program
King County’s Small Habitat Restoration Program builds low-cost projects in rural and urban King County that enhance and restore streams and wetlands. Projects occur on both public and private land and are selected based upon the benefit they will provide to the environment and the cost-efficiency with which they can be implemented.
Mason Bowles - 206-477-4651 • mason.Bowles@kingcounty.gov

Lake Stewardship county lakes volunteer monitoring program
In 2014, a program of water quality monitoring with the help of trained volunteer citizen scientists was restored to gather data to assess conditions and track trends at selected lakes within the area. Lakes to be monitored within this service area in 2014-2015 include Kathleen and McDonald.
Sally Abella - 206-477-4605 • Sally.abella@kingcounty.gov
Rachael Gravon - 206-477-4845 • Rachael.gravon@kingcounty.gov
King County Department of Permitting & Environmental Review

Permitting
ACCELA Access
Improve functionality of the department’s permit tracking software, Accela Automation. Priorities include improving citizen access, reporting, and ultimately on-line permitting.
John Backman - 206.477.0447 • john.backman@kingcounty.gov

King County Department of Public Defense

Public defense services to indigent clients accused of a crime
The Department of Public Defense provides public defenders to those residents who have been charged with a crime and who cannot afford an attorney. The department screens applicants to determine if they’re eligible for a public defender and then assigns an attorney to them. The department also provides legal help to people who cannot afford an attorney and are facing other matters, such as juvenile criminal prosecution, involuntary commitment to a mental health facility, or civil contempt for failure to pay child support.
Leslie Brown - 206.263.1364 • leslie.brown@kingcounty.gov
OR Gwen Clemens - 206.263.9686 • gwen.clemens@kingcounty.gov

Public Health Seattle & King County

Prevention
Communicable, chronic disease & Injury prevention, women’s health, tobacco, Medical Examiner and Vital Statistics
Conduct disease surveillance and investigation, health promotion, and regulatory services. Communicable disease prevention and control, with special programs in HIV/AIDS, STDs, tuberculosis, child vaccine distribution and immunization promotion, as well as laboratory services. Chronic disease services including tobacco and obesity prevention, screening services for breast, cervical and colon cancer, diabetes and asthma services through community health workers, and violence and injury prevention services. http://www.kingcounty.gov/healthservices/health/communicable.aspx
Karen Hartfield - 206.263.2023 • karen.hartfield@kingcounty.gov

Jail Health Services
Inmate services
Provide high quality medically necessary medical, psychiatric, and dental services to detained persons in correctional facilities in Kent and Seattle so inmates receive constitutionally guaranteed health services that meet community and professional standards of care.
Judy MacCully - 206.263.8282 • judy.macCully@kingcounty.gov
Public Health, Seattle & King County Cont’d.

Community Health Services

Healthcare services
Provide center based and regional services which may include WIC, Family planning, primary care, maternity support services, oral health, refugee health, home nursing, healthcare access assistance including enrollment in insurances, healthcare for the homeless, and childcare health and other services.
http://www.kingcounty.gov/healthservices/health/locations.aspx
TJ Cosgrove - 206.263.8352 • tj.cosgrove@kingcounty.gov

Preparedness Section

Preparedness
Support preparedness efforts of healthcare organizations, local governments, businesses, community organizations, and the public to respond and recovery quickly from all hazards including weather incidents, earthquakes, disease outbreaks, and acts of terrorism.
http://www.kingcounty.gov/healthservices/health/preparedness.aspx
Carina Elsenboss - 206.263.8722 • carina.elsenboss@kingcounty.gov

Environmental Health

Environmental public health services
Permitting and inspection services for businesses and individuals, including food business, food worker, solid waste, plumbing and gas piping, drinking water, and septic systems. Promote health and well-being of all county residents with equity and social justice work, healthy community planning, climate change, local hazardous waste, veterinary services and zoonotic disease programs.
Stella Chao - 206.263.8533 • stella.chao@kingcounty.gov

Emergency Medical Services

Assure high quality emergency medical services
Coordination of pre-hospital emergency services and provision of regional leadership through partnerships with cities and fire departments to assure the uniformity of medical care and dispatch across jurisdictions, consistency and excellence in training, and medical quality assurance. Focus areas include Medical Direction, EMS Training, Community Programs, Strategic Planning and Data Management, and Administration including Regional Leadership and Financial Management.
Jim Fogarty - 206.263.8579 • jim.fogarty@kingcounty.gov

King County Sheriff’s Office

The King County Sheriff’s Office consists of over 1,000 commissioned and professional staff employees who provide services to unincorporated King County. These services include reactive 9-1-1 patrol, search & rescue, undercover drug and gang enforcement, property crime investigations, homicide,
King County Sheriff’s Office Cont’d.

assault, robbery and sexual assault investigations, as well as a variety of other services including concealed weapons licensing, fingerprinting, etc.

Under Sheriff Urquhart’s leadership, the Sheriff’s Office transitioned to a Precinct Model for deploying deputies beginning in 2013. This returned formal roll calls and gave sergeants the opportunity to work with their deputies on crime trends, protocol, procedure, and values.

Deputies are now assigned to fairly consistent patrol areas. This allows them to become familiar with citizens, businesses, and residential areas in their assigned patrol districts. They are expected to build relationships and learn the particular problems in an area or neighborhood, as well as focus on crime trends.

Precincts are referred to as Precincts #2, #3, & #4...or Northeast, Southeast, and Southwest, respectively. Precinct #2 is in Sammamish City Hall, Precinct #3 is in the Hicks Raburn Precinct building in Maple Valley, and Precinct #4 is in Burien.

**Command Structure**

Pct. #2 – North Precinct Major Mitzi Johanknecht • 206-263-9134
Pct. #3 – Southeast Precinct Major Ron Griffin • 206.263-9134
Pct. #4 – Southwest Precinct Major Jerrell Wills • 206.477.2259

King County Department of Transportation
