

Environmental Education & Engagement Programs

Department of Natural Resources and Parks

WHAT'S UP @ KING COUNTY DNRP

Check out programs and events happening July - September 2024!

More resources [here!](#)

[Join Washington Conservation Corps](#)

The Washington Conservation Corps (WCC) program provides hands-on experience, field skills, and training opportunities to young adults between 18 and 25 and military veterans. DNRP has three WCC restoration crews and one Individual Placement position. [Learn more and apply!](#)

[Check out Salmon SEEson!](#)

The 18th annual Salmon SEEson program is set to kick off in August as salmon start to return this fall. [Check out opportunities](#) to see salmon in local streams and rivers.

[Get Funding through DNRP Grants](#)

Apply for funds to help our communities - reduce water pollution, improve parks, conserve land, prevent waste, reduce flood risk and improve health. [Check out DNRP grants!](#)

[Volunteer at a Local Park](#)

King County Parks leads an average of **10,000 volunteers** a year performing restoration, park improvement and building and maintaining trails. Each program weaves environmental education into the event. [Join Us!](#)

[Find out about Careers and Internships in DNRP](#)

So many **diverse jobs open** and waiting for you to apply. Check out [jobs at DNRP](#) - science, landscaping, engineering, lifeguards, program managers and more!

[Take a tour of a Water Treatment Plant](#)

Tour a **wastewater treatment plant** and learn what you can do to **protect our water**. Must be at least 9 years old. [Sign up now!](#)

[Volunteer at City Soil Farm](#)

WTD has a farm! **City Soil is a teaching farm** located in Renton that provides education programs about water use and turning wastewater into valuable resources. The farm also helps feed local community members at the White Center Food Bank! Come [learn and volunteer](#) at the farm.
