<sup>2</sup> To qualify for this fee, charitable organizations must meet the criteria as defined in King County Code, Title 10. Solid Waste, Chapter 10.04.020.

<sup>3</sup> The special waste extra handling charge applies only to special waste, such as asbestos-containing material, that requires special clearances and extra handling for proper disposal. The extra handling fee, which is charged in place of the special waste fee, is intended to more accurately reflect the cost of disposing of these materials.
