

# MEETING AGENDA

Long Term Disposal Subgroup Meeting #3

---

Location: Virtual

---

Date: June 17, 2024

---

Time: 1-4 p.m.

---

Purpose/Role of Subgroup: Dive deep into the information and discuss questions from cities. Discuss recommending some decisions to MSWAC. Members should be fully engaged in the discussion and offer insights and opinions to inform decision-making.

---

## Meeting Objectives:

- Understand how Mass Burn and Waste Export by Rail compare against the evaluation criteria
- Establish recommendations to be taken back to MSWAC on key criteria to present on in future briefings

## Pre-Work

- Review Comparative Analysis Matrices located on the Extranet
