

HOLIDAY TREE RECYCLING

DECEMBER 2024

Recycling your holiday tree is cheaper than disposing of it and better for the environment. Give your tree new life as wood chips or compost.

Curbside collection

If you have curbside yard waste collection service, you may place your tree at the curb with your regular yard waste. Contact your recycling hauler for details and restrictions.

City events

Some cities offer free tree recycling events for their residents. Contact your city for details.
