Began participating in the Green Schools Program: September 2013

Level One of the Green Schools Program: Achieved in May 2016

Waste Reduction and Recycling (Level One)

- Brookside Elementary School achieved a recycling rate of 67%.
- Students created a recycling video and educated classmates about what can be recycled.
- Green Team students taught each classroom how to recycle, and signs were placed on recycling bins listing what items can be recycled.
- Brookside placed recycling bins in each classroom and the lunchroom, and started to recycle milk cartons.
- Para-educator Lori Gamman and custodian Raneer Gigrich trained students to be lunchroom monitors and developed a schedule for students to monitor each lunch period.
- To reduce paper use, assignments were posted online instead of
