

## **Canyon Park Middle School**

**School district:** Northshore

**School location:** Bothell

**Began participating in the Green Schools Program:** September 2017

**Level One of the Green Schools Program:** Achieved in May 2018

### **Waste Reduction and Recycling (Level One)**

- The school achieved and maintained a recycling rate of 42%.
- Posters were displayed and video announcements were made to announce Canyon Park's participation in the Green Schools Program.
- The school started a student Green Team led by staff members Liz Kimbrough and Shannon Collins.
- In November 2017, the Green Team created signs and videos to show students how to sort recyclable materials and garbage at lunch.
- Honor Society students were recruited and trained by the Green Schools Program to monitor sorting stations at lunchtime to make sure students sorted correctly.
- A schoolwide survey helped identify 40 students interested in serving as Green Leaders to help improve conservation practices in their homeroom classrooms.
