

**CSI PROJECT HIDDEN LAKE BASIN  
PHASE 2 SUBREGIONAL PLANNING REPORTS**

**TABLE OF CONTENTS**

**Executive Summary**

Background .....	1
Working Alternative .....	8

**Task 210: Planning Record Summary**

Introduction .....	1
Planning Records Review .....	5
Regional Wastewater Services Plan Coordination Issues .....	7
Growth Management Impacts .....	8

**Task 220: Facilities Review**

Introduction .....	1
Part I. Hidden Lake Pump Station and Upstream Facilities .....	1
Part II. Downstream Conveyance System .....	6
Contact List .....	10

**Task 230: Characterization of Existing Conditions**

Introduction .....	1
Part I. Natural Environment .....	1
Part II. Land Use and Growth Impacts .....	8
References .....	10

**Task 240: Wastewater Service Alternative Development**

Introduction .....	1
Conveyance System and Hydraulic Capacity Overview .....	1
Hidden Lake Service Area Flow Projections .....	7
Development of Conveyance System Improvement Alternatives .....	9
Cost Estimates for Alternatives .....	24
Appendix A: Steep Slope and Erosion Hazard Area Permitting Considerations within the City of Shoreline .....	28

**Task 250: Refining Wastewater Service Alternatives**

Introduction .....	1
Part I: Review of Task 240 Project Team Meeting .....	3
Part II: Updated Flow Projections for the Service Area .....	4
Part III: Impacts of Infiltration and Inflow Reduction .....	13
Part IV: Evaluation of Additional Alternatives .....	17
Part V: Review of Hidden Lake Decision Workshop and Description of the Working Alternative .....	29

**Task 250: Refining Wastewater Service Alternatives (continued)**

Appendix A: Environmental Assessment of Alternatives C and D3 .....	39
Appendix B: Summary of Hidden Lake Decision Workshop .....	52
Appendix C: Decision Workshop Presentation Slides .....	56

**Task 260: Task Summary Report**

Task 210: Hidden Lake Service Area Planning History .....	1
Task 220: Wastewater Conveyance Facility Review .....	4
Task 230: Characterization of Existing Conditions .....	5
Task 240: Alternatives to Solve Hidden Lake Capacity Problems .....	6
Task 250: Alternative Evaluation, Refinement, and Selection of a Working Alternative .....	14
