VOLUME 1

Chapter 1 Summary..... 1-1

- 1.1 Proposal..... 1-1
- 1.2 Preferred Alternative..... 1-3
- 1.3 Purpose and Need for Proposal..... 1-4
- 1.4 The Benefits and Disadvantages of Reserving for Some Future Time the Implementation of the Proposal 1-5
- 1.5 Siting Process Background 1-6
- 1.6 Alternatives Evaluated in This EIS..... 1-7
 - 1.6.1 Refinements Since the Draft EIS 1-7
 - 1.6.2 Route 9–195th Street System 1-9
 - 1.6.3 Route 9–228th Street System 1-11
 - 1.6.4 Unocal System..... 1-12
 - 1.6.5 No Action Alternative 1-13
- 1.7 Project Timing and Phasing 1-14
- 1.8 Summary of Environmental Impacts 1-15
 - 1.8.1 Impacts of the Route 9–195th Street Alternative 1-15
 - 1.8.2 Impacts of the Route 9–228th Street Alternative 1-18
 - 1.8.3 Impacts of the Unocal Alternative 1-19
 - 1.8.4 Impacts of the No Action Alternative 1-20
- 1.9 Mitigation Approach and Summary..... 1-21
- 1.10 Areas of Uncertainty and Issues to be Resolved 1-24
 - 1.10.1 Sizing, Phasing, and Designing Brightwater..... 1-24
 - 1.10.2 Route 9 Site Design..... 1-28
 - 1.10.3 Unocal Site Design..... 1-29
 - 1.10.4 Conveyance Design and Construction 1-31
 - 1.10.5 Level of Contamination..... 1-33
 - 1.10.6 Market for Reclaimed Water..... 1-35
 - 1.10.7 Changes in Standards for Treating Wastewater 1-36
 - 1.10.8 Changes in Wastewater Treatment Methods and Technology 1-37
 - 1.10.9 Permit Process 1-39
- 1.11 Environmental Review 1-42
 - 1.11.1 Role of EIS in Decisionmaking Process..... 1-42
 - 1.11.2 Prior Programmatic Review 1-43

1.11.3	Brightwater Project-Level Review	1-44
1.11.4	Existing Development Regulations in Local Jurisdictions and Regulatory Agencies	1-44
1.11.5	Future Environmental Review	1-45
1.12	References	1-46
Chapter 2	Background	2-1
2.1	Existing Wastewater System.....	2-1
2.1.1	History.....	2-1
2.1.2	Regional Service Area.....	2-3
2.1.3	Regional Wastewater Customers	2-3
2.1.4	Regional Wastewater System.....	2-4
2.2	Wastewater Treatment Processes.....	2-5
2.2.1	Liquids Treatment	2-5
2.2.2	Solids Processing.....	2-8
2.2.3	Odor Control	2-9
2.2.4	Regulations Governing Treatment	2-10
2.3	Wastewater Programs and Services.....	2-10
2.3.1	Combined Sewer Overflow Program	2-10
2.3.2	Regional Infiltration and Inflow Control Program.....	2-12
2.3.3	Industrial Waste Program.....	2-13
2.3.4	Hazardous Waste Management Program	2-13
2.3.5	Biosolids Management Program	2-14
2.3.6	Energy Recovery Program	2-15
2.3.7	Water Reuse Program.....	2-15
2.3.8	Water Conservation Program	2-16
2.3.9	Environmental Laboratory Services.....	2-16
2.4	Regional Wastewater Services Plan.....	2-16
2.4.1	Forecasting Population and Employment and Projecting Wastewater Flow	2-17
2.4.2	Flexibility to Meet Treatment Needs	2-18
2.4.3	Developing Service Strategies	2-19
2.4.4	Executive’s Preferred Regional Wastewater Services Plan	2-20
2.4.5	King County Council Review and Adoption	2-20
2.5	Brightwater Siting Process—Phases 1 and 2: Screening and Selection ...	2-21
2.5.1	Phase 1 – Identify and Evaluate Treatment Plant and Outfall Zones.....	2-21
2.5.2	Phase 2 – Developing System Alternatives.....	2-24
2.6	Brightwater Siting Process—Phase 3: Environmental Review	2-26
2.6.1	Brightwater Draft EIS	2-26
2.6.2	Final Environmental Impact Statement.....	2-30
2.6.3	Refining the Conveyance and Outfall Alignments	2-30
2.6.4	Identifying and Screening Portals	2-35
2.6.5	Executive’s Final Decision.....	2-38
2.7	Public, Agency, and Tribal Involvement.....	2-38
2.7.1	Examples of Public Involvement Activities.....	2-38
2.7.2	Phase 3 Public Involvement Activities.....	2-39

Contents

2.8 Siting Essential Public Facilities as Required by the Washington State Growth Management Act 2-42

2.8.1 Essential Public Facilities Siting Process in Snohomish County and the City of Edmonds 2-42

2.8.2 Consistency with Comprehensive Plan EPF Criteria for Snohomish County and the City of Edmonds 2-43

2.9 References..... 2-46

Chapter 3 Description and Comparison of Alternatives..... 3-1

3.1 Introduction..... 3-1

3.1.1 Project Objectives 3-1

3.1.2 Refinements of the Proposal Since the Draft EIS 3-3

3.2 Action Alternatives 3-8

3.2.1 Elements Common to All Action Alternatives 3-9

3.2.2 Route 9–195th Street System 3-25

3.2.3 Route 9–228th Street System 3-38

3.2.4 Unocal System..... 3-44

3.2.5 No Action Alternative 3-57

3.3 Comparing the Alternatives 3-58

3.3.1 Overall Comparison of Impacts for Alternative Components and Systems..... 3-62

3.3.2 Comparison of Environmental Impacts by Element of the Environment 3-67

3.3.3 Summary of Impacts for Alternative Systems 3-81

3.3.4 Summary of Mitigation Measures..... 3-82

3.4 References..... 3-83

VOLUME 2

Chapter 4 Earth..... 4-1

4.1 Introduction..... 4-1

4.1.1 Summary of Comments Received..... 4-1

4.1.2 Supplemental Technical Studies and Analyses 4-2

4.2 Affected Environment..... 4-3

4.2.1 Affected Environment Common to All Systems..... 4-3

4.2.2 Affected Environment: Route 9 System..... 4-15

4.2.3 Affected Environment: Unocal System..... 4-26

4.3 Impacts and Mitigation 4-33

4.3.1 Impacts and Mitigation Common to All Systems 4-33

4.3.2 Impacts and Mitigation: Route 9 System 4-49

4.3.3 Impacts and Mitigation: Unocal System 4-62

4.3.4 Impacts: No Action Alternative 4-70

4.3.5 Cumulative Impacts..... 4-70

4.4 Significant Unavoidable Adverse Impacts..... 4-72

4.5 Summary of Impacts and Mitigation 4-73

4.6 References..... 4-79

Chapter 5	Air	5-1
5.1	Introduction.....	5-1
5.1.1	Overview of the Chapter	5-1
5.2	Affected Environment.....	5-2
5.2.1	Affected Environment Common to All Systems.....	5-2
5.2.2	Regional Air Quality	5-5
5.2.3	Affected Environment: Route 9 System.....	5-7
5.2.4	Affected Environment: Unocal System.....	5-13
5.3	Impacts and Mitigation	5-18
5.3.1	Impacts and Mitigation Common to All Systems	5-18
5.3.2	Impacts and Mitigation: Route 9 System	5-35
5.3.3	Impacts and Mitigation: Unocal System	5-46
5.3.4	Impacts: No Action Alternative	5-55
5.3.5	Cumulative Impacts.....	5-55
5.4	Significant Unavoidable Adverse Impacts.....	5-57
5.5	Summary of Impacts and Mitigation	5-58
5.6	References.....	5-64
Chapter 6	Water Resources	6-1
6.1	Introduction.....	6-1
6.1.1	Overview of the Chapter	6-1
6.2	Affected Environment.....	6-3
6.2.1	Affected Environment Common to All Systems.....	6-3
6.2.2	Affected Environment: Route 9 System.....	6-18
6.2.3	Affected Environment: Unocal System.....	6-37
6.3	Impacts and Mitigation	6-46
6.3.1	Impacts and Mitigation Common to All Systems	6-50
6.3.2	Impacts and Mitigation: Route 9 System	6-79
6.3.3	Impacts and Mitigation: Unocal System	6-109
6.3.4	Impacts: No Action Alternative	6-123
6.3.5	Cumulative Impacts.....	6-124
6.4	Significant Unavoidable Adverse Impacts.....	6-127
6.5	Summary of Impacts and Mitigation	6-128
6.6	References.....	6-144
Chapter 7	Plants, Animals, and Wetlands	7-1
7.1	Introduction.....	7-1
7.1.1	Overview of the Chapter	7-1
7.2	Affected Environment.....	7-3
7.2.1	Affected Environment Common to All Systems.....	7-3
7.2.2	Affected Environment: Route 9 Systems	7-24
7.2.3	Affected Environment: Unocal System.....	7-43
7.3	Impacts and Mitigation	7-53
7.3.1	Impacts and Mitigation Common to All Systems	7-53
7.3.2	Impacts and Mitigation: Route 9 System	7-88
7.3.3	Impacts and Mitigation: Unocal System.....	7-108

Contents

7.3.4	Impacts: No Action Alternative	7-121
7.3.5	Cumulative Impacts.....	7-122
7.4	Significant Unavoidable Adverse Impacts.....	7-124
7.5	Summary of Impacts and Mitigation	7-127
7.6	References.....	7-145
Chapter 8	Energy and Natural Resources.....	8-1
8.1	Introduction.....	8-1
8.1.1	Overview of Chapter	8-1
8.2	Affected Environment.....	8-2
8.2.1	Affected Environment Common to all Systems.....	8-2
8.2.2	Affected Environment: Route 9 System.....	8-7
8.2.3	Affected Environment: Unocal System.....	8-9
8.3	Impacts and Mitigation	8-12
8.3.1	Impacts and Mitigation Common to All Systems	8-12
8.3.2	Impacts and Mitigation: Route 9 System	8-20
8.3.3	Impacts and Mitigation: Unocal System	8-23
8.3.4	Impacts: No Action Alternative	8-25
8.3.5	Cumulative Impacts.....	8-26
8.4	Significant Unavoidable Adverse Impacts.....	8-27
8.5	Summary of Impacts and Mitigation	8-28
8.6	References.....	8-36
	Contents.....	i
Chapter 9	Environmental Health	9-1
9.1	Introduction.....	9-1
9.1.1	Overview of the Chapter	9-1
9.2	Affected Environment.....	9-2
9.2.1	Affected Environment Common to All Systems.....	9-2
9.2.2	Affected Environment: Route 9 System.....	9-12
9.2.3	Affected Environment: Unocal System.....	9-14
9.3	Impacts and Mitigation	9-16
9.3.1	Study Methodology	9-16
9.3.2	Impacts and Mitigation Common to All Systems	9-17
9.3.3	Impacts and Mitigation: Route 9 System	9-35
9.3.4	Impacts and Mitigation: Unocal System	9-42
9.3.5	No Action Alternative	9-44
9.3.6	Cumulative Impacts.....	9-46
9.4	Significant Unavoidable Adverse Impacts.....	9-47
9.5	Summary of Impacts and Mitigation	9-48
9.6	References.....	9-56
	Contents.....	i
Chapter 10	Noise and Vibration	10-1
10.1	Introduction	10-1
10.1.1	Overview of the Chapter	10-1
10.1.2	Study Methodology	10-2
10.2	Affected Environment	10-3

10.2.1 Affected Environment Common to All Systems..... 10-3
10.2.2 Affected Environment: Route 9 System..... 10-6
10.2.3 Affected Environment: Unocal System..... 10-13
10.3 Impacts and Mitigation..... 10-17
10.3.1 Impacts and Mitigation Common to All Systems 10-17
10.3.2 Impacts and Mitigation: Route 9 System 10-22
10.3.3 Impacts and Mitigation: Unocal System..... 10-32
10.3.4 Impacts: No Action Alternative 10-37
10.3.5 Cumulative Impacts..... 10-37
10.4 Significant Unavoidable Adverse Impacts..... 10-38
10.5 Summary of Impacts and Mitigation..... 10-39
10.6 References 10-44

VOLUME 3

Chapter 11 Land and Shoreline Use 11-1
11.1 Introduction 11-1
11.1.1 Overview of the Chapter 11-1
11.2 Affected Environment..... 11-2
11.2.1 Affected Environment Common to All Systems..... 11-2
11.2.2 Affected Environment: Route 9 System..... 11-13
11.2.3 Affected Environment: Unocal System..... 11-32
11.3 Impacts and Mitigation..... 11-42
11.3.1 Impacts and Mitigation Common to All Systems 11-42
11.3.2 Impacts and Mitigation: Route 9 System 11-55
11.3.3 Impacts and Mitigation: Unocal System..... 11-66
11.3.4 Impacts: No Action Alternative 11-75
11.3.5 Cumulative Impacts..... 11-75
11.4 Significant Unavoidable Adverse Impacts..... 11-77
11.4.1 Treatment Plant Sites 11-77
11.4.2 Conveyance Corridors..... 11-77
11.4.3 Outfall Zones..... 11-77
11.5 Summary of Impacts and Mitigation..... 11-78
11.6 References 11-90

Chapter 12 Aesthetics 12-1
12.1 Introduction..... 12-1
12.1.1 Overview of the Chapter 12-1
12.2 Affected Environment..... 12-2
12.2.1 Affected Environment Common to All Systems..... 12-2
12.2.2 Affected Environment: Route 9 System..... 12-6
12.2.3 Affected Environment: Unocal System..... 12-11
12.3 Impacts and Mitigation..... 12-15
12.3.1 Treatment Plant Methodology..... 12-15
12.3.2 Conveyance Methodology..... 12-16
12.3.3 Impacts and Mitigation Common to All Systems 12-18
12.3.4 Impacts and Mitigation: Route 9 System 12-25
12.3.5 Impacts and Mitigation: Unocal System..... 12-33

12.3.6	Impacts: No Action Alternative	12-41
12.3.7	Cumulative Impacts.....	12-43
12.4	Significant Unavoidable Adverse Impacts.....	12-44
12.5	Summary of Impacts and Mitigation.....	12-45
Chapter 13	Light and Glare.....	13-1
13.1	Introduction.....	13-1
13.1.1	Overview of the Chapter	13-1
13.2	Affected Environment.....	13-2
13.2.1	Affected Environment Common to All Systems.....	13-2
13.2.2	Affected Environment: Route 9 Treatment Plant.....	13-5
13.2.3	Affected Environment: Unocal Treatment Plant.....	13-7
13.2.4	Affected Environment: Route 9 and Unocal Conveyance Corridors.....	13-10
13.2.5	Affected Environment: Route 9 and Unocal Outfall.....	13-10
13.3	Impacts and Mitigation.....	13-20
13.3.1	Study Methodology	13-20
13.3.2	Impacts and Mitigation Common to All Systems	13-21
13.3.3	Impacts and Mitigation: Route 9 System	13-25
13.3.4	Impacts and Mitigation: Unocal System	13-30
13.3.5	No Action Alternative	13-34
13.3.6	Cumulative Impacts.....	13-34
13.4	Significant Unavoidable Adverse Impacts.....	13-35
13.5	Summary of Impacts and Mitigation.....	13-36
13.6	References	13-41
Chapter 14	Recreation.....	14-1
14.1	Introduction.....	14-1
14.1.1	Overview of the Chapter	14-1
14.2	Affected Environment.....	14-2
14.2.1	Affected Environment Common to All Systems.....	14-3
14.2.2	Affected Environment: Route 9 System.....	14-4
14.2.3	Affected Environment: Unocal System.....	14-11
14.3	Impacts and Mitigation.....	14-17
14.3.1	Impacts and Mitigation Common to All Systems	14-17
14.3.2	Impacts and Mitigation: Route 9 System	14-22
14.3.3	Impacts and Mitigation: Unocal System	14-31
14.3.4	No Action Alternative	14-36
14.3.5	Cumulative Impacts.....	14-36
14.4	Significant Unavoidable Adverse Impacts.....	14-37
14.4.1	Treatment Plant Sites	14-37
14.4.2	Conveyance Corridors.....	14-37
14.4.3	Outfall Zones.....	14-37
14.5	Summary of Impacts and Mitigation.....	14-39
14.6	References	14-47

Chapter 15 Cultural Resources.....	15-1
15.1 Introduction	15-1
15.1.1 Overview of the Chapter	15-1
15.2 Affected Environment	15-2
15.2.1 Affected Environment Common to All Systems.....	15-2
15.2.2 Affected Environment: Route 9 System.....	15-6
15.2.3 Affected Environment: Unocal System.....	15-11
15.3 Impacts and Mitigation.....	15-14
15.3.1 Impacts and Mitigation Common to All Systems	15-14
15.3.2 Impacts and Mitigation: Route 9 System	15-17
15.3.3 Impacts and Mitigation: Unocal System	15-21
15.3.4 Impacts: No Action Alternative	15-24
15.3.5 Cumulative Impacts.....	15-24
15.4 Significant Unavoidable Adverse Impacts.....	15-25
15.5 Summary of Impacts and Mitigation.....	15-26
15.6 References	15-33
Chapter 16 Transportation	16-1
16.1 Introduction	16-1
16.1.1 Chapter Overview	16-1
16.1.2 Road Naming Conventions	16-2
16.2 Affected Environment	16-3
16.2.1 Affected Environment Common to All Systems.....	16-4
16.2.2 Affected Environment: Route 9 System.....	16-8
16.2.3 Affected Environment: Unocal System.....	16-31
16.3 Impacts and Mitigation.....	16-45
16.3.1 Impacts and Mitigation Common to All Systems	16-45
16.3.2 Impacts and Mitigation: Route 9 System	16-55
16.3.3 Impacts and Mitigation: Unocal System	16-86
16.3.4 Impacts: No Action Alternative	16-104
16.3.5 Cumulative Impacts.....	16-108
16.4 Significant Unavoidable Adverse Impacts.....	16-112
16.4.1 Route 9 System.....	16-112
16.4.2 Unocal System.....	16-114
16.5 Summary of Impacts and Mitigation.....	16-117
16.6 References	16-129
Chapter 17 Public Services and Utilities.....	17-1
17.1 Introduction	17-1
17.1.1 Overview of the Chapter	17-1
17.2 Affected Environment	17-2
17.2.1 Affected Environment Common to All Systems.....	17-2
17.2.2 Affected Environment: Route 9 System.....	17-7
17.2.3 Affected Environment: Unocal System.....	17-14
17.3 Impacts and Mitigation.....	17-20
17.3.1 Impacts and Mitigation Common to All Systems	17-20

Contents

17.3.2 Impacts and Mitigation: Route 9 System	17-30
17.3.3 Impacts and Mitigation: Unocal System	17-37
17.3.4 Impacts: No Action Alternative	17-42
17.3.5 Cumulative Impacts.....	17-43
17.4 Significant Unavoidable Adverse Impacts.....	17-44
17.5 Summary of Impacts and Mitigation.....	17-45
17.6 References	17-55
