## What we are doing

The King County Agriculture Commission has been asked to report on the future of agriculture in the county. In order to do this we need your help.

We invite your opinions and ideas:

- Attend any of the meetings listed on the other side.
- Give us your input online at [www.kingcounty.gov/wlr](http://www.kingcounty.gov/wlr).
- Contact Steve Evans at [steve.evans@kingcounty.gov](mailto:steve.evans@kingcounty.gov).

## We would like to discuss

1. What do you grow or raise?
2. How is your farm operation changing?
3. What kinds of resources or services do you need to be a successful farmer in the future?
4. What are the trends you think are important to your operation and your industry?
5. What are your plans for your farm property in the future?
