Partner Planning Committee Communication Expectations

- Respect each other's input
- Allow others to complete their statements before contributing yours
- Offer constructive comments in disagreement, but be respectful
- Allow space for others to contribute to the conversation
- State concerns and interests clearly, listen carefully to and assume the best in others, ask questions rather than make assumptions
- Acknowledge that all partners bring legitimate purposes, goals, concerns, and interests, whether or not there is agreement
- Acknowledge that different organizations or agencies have different business models, decision-making requirements, and obligations
