

King County Flood Management Plan
Partner Planning Committee – Meeting #3 Agenda
February 21, 2023 | 10:30 a.m. to 12:30 p.m.

Meeting Objectives:

- To share how committee input on the flood plan goals, objectives, and guiding principles was incorporated
- To introduce and discuss river flooding problems, focusing on the Snoqualmie River, Cedar River, and Green River (other river systems will be discussed at the March Partner Planning Committee meeting)

Agenda

10:30 – 10:35 Welcome and Introductions

10:35 – 10:45 Public Comment

- Opportunity to provide official public comment (up to 2 minutes per commenter)

10:45 – 11:10 Flood Plan Goals, Objectives, and Guiding Principles Follow-up

- Reminders about purpose of Goals, Objectives, and Guiding Principles
- Summary of Partner Planning Committee input
- Updates to drafts in response to partner feedback
- Discussion and next steps

11:10 – 11:40 Introduction to River Flooding Hazards and Risks – King County staff share current understanding of primary problems and implementation progress

- Snoqualmie River (including Raging and Tolt rivers)
- Cedar River
- Green River

Note: other King County river systems will be discussed at the March Partner Planning Committee meeting.

11:40 – 12:10 Breakout Rooms: Basin-Focused Discussions – committee identifies additional problems and begins to share ideas for solutions

12:10 – 12:20 Report Out and Discussion

12:20 – 12:30 Wrap Up

Partner Planning Committee Communication Agreements

- Respect each other's input
- Allow others to complete their statements before contributing yours
- Offer constructive comments in disagreement, but be respectful
- Allow space for others to contribute to the conversation - do not dominate
- State concerns and interests clearly, listen carefully to and assume the best in others, ask questions rather than make assumptions
- Acknowledge that all partners bring legitimate purposes, goals, concerns and interests, whether or not there is agreement
- Acknowledge that different organizations or agencies have different business models, decision-making requirements and obligations
