---

**Objectives:**

- To ensure that the King County Flood Hazard Management Plan addresses the need to provide flood risk reduction services equitably throughout King County.
  - To ensure that relocation assistance, while required under federal, state, and local laws, is provided for, and clarified in the Flood Plan.
  - To understand the flooding and erosion conditions, the vision and strategy and proposed flood risk reduction actions for the White River, South Fork Skykomish River and Snoqualmie River.
- 

**1. Welcome and Citizens Committee Introductions (5 min)** 5:00 – 5:05

**2. Housekeeping (5 min)** 5:05 – 5:10

Review of Minutes from the June 12, 2012 meeting

**3. Equity and Social Justice: Outreach to Vulnerable & Underserved Populations (25 min)**  
5:10 – 5:35

**Key questions:**

1. What networks can we build or enhance to improve our delivery of the Flood Education and Flood Preparedness Program to vulnerable or historically underserved populations?
2. How can we assess the effectiveness of outreach to vulnerable and underserved populations, knowing that this is a very difficult population to assess by traditional survey methodology?
3. What networks can we build or enhance to improve our delivery of the flood risk reduction programs to vulnerable or historically underserved populations? What alternative mitigation options could be proposed for special needs, such as low-income, physical or developmental disabilities?

**4. White River Strategy and Action Plan (40 Min)**

5:35-6:15

**Key question:**

Has King County adequately identified the flooding and erosion hazards on the White River and developed a reasonable strategy and set of actions to address those hazards?

**5. Relocation of Residential and Commercial Tenants (25 Min)**

6:15–6:40

**Key Questions:**

1. When land is acquired for flood risk reduction purposes and tenants are displaced, what types of relocation assistance should be provided?
2. Should any other steps be taken minimize disruptions to economic activity and mitigate possible impacts on economic development and local tax revenue?

**BREAK (10 min)**

6:40-6:50

**6. South Fork Skykomish River & Snoqualmie River Strategies and Action Plans (60 Min)**
