

AGENDA
King County Flood Hazard Management Plan Update
Citizen's Committee Meeting # 4
March 13, 2012 5:00 – 8:00
Mercer Island Community Center
8236 SE 24th Street
Mercer Island, WA 98040

Objectives:

- Revisit and discuss how the Committee is feeling about their role and purpose.
 - Discuss the findings of an independent review panel that assessed public safety, preventing property damage from flooding, recovering salmon, and providing recreation.
 - Discuss the competing federal mandates for levee vegetation standards and protection of habitat for federally-listed species.
-

- | | |
|---|-------------|
